

The Community Emergency Response Team educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations.

The Elgin CERT Team is on call to assist police or fire during critical incidents. They have been called to assist with:

Train Derailments

Missing persons

Downed power lines

Flood evacuations

Severe weather

Traffic and crowd control

H1N1 Inoculation clinic
