

November 18, 2021 – Meeting Transcription
Community Task Force on Policing

1

00:00:51.750 --> 00:00:55.920

Sara Omar: Can you can you stop recording until we start the actual meeting.

2

00:00:56.910 --> 00:00:58.380

Facilitators: Okay, yes.

3

00:00:58.920 --> 00:01:00.120

Ismael Cordovà: Internal complaints.

4

00:01:01.770 --> 00:01:02.760

Ismael Cordovà: Oh sorry.

5

00:01:03.780 --> 00:01:04.380

Ismael Cordovà: i'm.

6

00:01:05.550 --> 00:01:13.350

Ismael Cordovà: Reviewing internal complaints from either supervisors that are complaining on their subordinates subordinates and more compliant.

7

00:01:13.770 --> 00:01:17.910

Ismael Cordovà: complaining or filing complaints regarding their supervisors or leadership.

8

00:01:18.480 --> 00:01:25.530

Ismael Cordovà: kind of seeing where they're currently existing in that, and what the police department is working to address those internal complaints.

9

00:01:25.830 --> 00:01:31.950

Ismael Cordovà: And then it really falls into the national climate, I know that we don't have that in the bulletin, but one thing that we talked about was.

10

00:01:32.460 --> 00:01:40.680

Ismael Cordovà: The relationship between the national climate and how it's impacting our city and how it's impacting our residents of viewing the police department as well.

11

00:01:42.330 --> 00:01:55.230

Ismael Cordovà: Again, I do apologize, I went to Joel joins the meeting I would love for her to explain these topics, a little bit more at all of you, but i'm available to answer any questions you may have regarding those subcommittees.

12

00:01:56.700 --> 00:01:57.420

Sara Omar: Thank you.

13

00:01:58.050 --> 00:02:08.340

Sara Omar: chanel again, these are all proposed topics, I think we just our intention is to present some suggestions to have to start the conversation.

14

00:02:09.120 --> 00:02:18.270

Sara Omar: We really these are Congress what we identified as the leader, with the leadership team identified as the topics that should.

15

00:02:18.750 --> 00:02:26.070

Sara Omar: To start this conversation about what it should be the subcommittee's one thing before we open it up for discussion and I see your can.

16

00:02:26.400 --> 00:02:45.780

Sara Omar: Kevin we also are proposing an approach by maybe taking on three topics first and then, once we address those topics we go and follow on to the three after that so just for those who are interested in participating in multiple.

17

00:02:46.800 --> 00:02:50.610

Sara Omar: Multiple subcommittees it's not too too much too many that.

18

00:02:53.010 --> 00:03:08.040

Sara Omar: At one time with that I do want to open up for reactions thoughts what's missing what should, what do you like from this list of six and can I have a conversation Kevin I do see your hand up and then Denise.

19

00:03:09.540 --> 00:03:20.220

Kevin Joshua: I just wanted to make a quick statement is It is this live right now, I know that you just started recording I don't see it live on YouTube and I had a couple people requested to me asking me where it was.

20

00:03:22.980 --> 00:03:23.610

Sara Omar: um.

21

00:03:26.040 --> 00:03:29.010

Sara Omar: I do believe it should be live, but if.

22

00:03:30.090 --> 00:03:36.480

Sara Omar: you're not seeing it, we will make sure that it is live, thank you for pointing that out, we thought it was like.

23

00:03:38.070 --> 00:03:40.020

Sara Omar: Do you have any other comments or questions.

24

00:03:40.770 --> 00:03:51.330

Kevin Joshua: I would just like to save it when the jewels here, hopefully give it a little bit more time to ask her and the leadership in general to general questions, but I do have some comments earlier.

25

00:03:51.810 --> 00:03:54.480

Sara Omar: Okay, thank you Denise and then Marcus.

26

00:03:55.560 --> 00:04:09.900

Danise Habun: Just real quick, something that I don't know if the leadership team, and you all know, is that there has been a report on in a study that looked at the city of Elgin and policing.

27

00:04:10.740 --> 00:04:21.450

Danise Habun: Around racial disparities, so I think that you know there'll be who've our group to get that information if it is available if that's come back.

28

00:04:22.140 --> 00:04:32.460

Danise Habun: But I think that there that report it's been a long time coming, so I just wanted to point that out that that work at least the start of it has occurred.

29

00:04:32.940 --> 00:04:47.040

Ismael Cordovà: yeah Denise Denise we have been made aware of that right report and that's why we incorporated that into the racial disparities, so that would fall into that into that subcommittee if we decide to move forward with the, thank you for bringing that up.

30

00:04:47.370 --> 00:04:48.120

Danise Habun: Okay, thank you.

31

00:04:50.130 --> 00:04:50.790

Sara Omar: Oh Marcus.

32

00:04:53.220 --> 00:04:58.350

Marcus"The People's Champ" Banner: You guys said six topics I see three is there a way you can fix this screen, where I can see the other three.

33

00:04:58.620 --> 00:05:07.380

Sara Omar: Yes, Kevin do you want to stop sharing and then just we can make at all six in one top one slide.

34

00:05:08.370 --> 00:05:09.390

Marcus"The People's Champ" Banner: OK, I see it now.

35

00:05:11.160 --> 00:05:15.750

Sara Omar: yeah we'll just quickly make it that they're all in one slide so we can all see them.

36

00:05:21.000 --> 00:05:23.130

Sara Omar: i'm curious on his.

37

00:05:24.210 --> 00:05:25.500

Marcus"The People's Champ" Banner: comments to make as well.

38

00:05:25.740 --> 00:05:25.950

yeah.

39

00:05:31.860 --> 00:05:33.630

Ismael Cordovà: I just to reiterate it for you.

40

00:05:35.250 --> 00:05:36.840

Ismael Cordovà: Or you Marcus i'm sorry.

41

00:05:37.440 --> 00:05:57.150

Ismael Cordovà: The six our racial profiling and disparities recruitment and hiring and retention training, accountability and discipline police culture and political climate or climate generally I apologize and police presence they're not in that order, but those are the ones.

42

00:06:12.690 --> 00:06:17.700

Marcus"The People's Champ" Banner: I saw something on there with Sam force and the collateral damage.

43

00:06:20.910 --> 00:06:30.720

Marcus"The People's Champ" Banner: yeah the practice of for some collateral damage to the black Community now I happen to know that that particular thing was not worded that way.

44

00:06:32.010 --> 00:06:44.730

Marcus"The People's Champ" Banner: What the topic was was forced engagements in the collateral damage within the black community, so I have a problem, it seems that this task force is a sham.

45

00:06:45.720 --> 00:06:56.340

Marcus"The People's Champ" Banner: First we waste our time talking about the structure of government governing ourselves, and then only for the city to come back and tell us well this is how you have to govern yourself.

46

00:06:57.990 --> 00:07:07.440

Marcus"The People's Champ" Banner: Then we picked a government body that doesn't get to govern because again told how to govern and what to talk about how to talk about it.

47

00:07:08.700 --> 00:07:10.050

Marcus"The People's Champ" Banner: I just create the narrative.

48

00:07:13.500 --> 00:07:24.540

Marcus"The People's Champ" Banner: The city is looking to push a narrative without addressing any of the tough issues we are up against the policing system that 99% of the time does this job it doesn't well.

49

00:07:25.350 --> 00:07:29.100

Marcus"The People's Champ" Banner: Then we have that 1% that goes out into the low income minority community.

50

00:07:29.670 --> 00:07:39.330

Marcus"The People's Champ" Banner: Mostly black communities and forcing engagements would petty unnecessary laws and ordinances that are mostly only enforced in our communities under the guise of public safety.

51

00:07:40.320 --> 00:07:49.710

Marcus"The People's Champ" Banner: This society highlights the 99% great work being done only to whitewash the devastation that the 1% is inflicted on our black community.

52

00:07:50.850 --> 00:08:00.690

Marcus"The People's Champ" Banner: Then we have, on the other hand, 99% of black folks in our communities who are hard work and family orientated people just trying to grab hold of the so called American dream.

53

00:08:01.980 --> 00:08:07.860

Marcus"The People's Champ" Banner: Then we have 1% of our community who engage in full in it foolishness and Community destructive behavior.

54

00:08:08.580 --> 00:08:17.460

Marcus"The People's Champ" Banner: Then mainstream society highlights that 1% to justify the law enforcement 1% and paint them as proactive heroes constantly.

55

00:08:17.760 --> 00:08:27.240

Marcus"The People's Champ" Banner: sheltering them and protecting those individuals from being held accountable as if they are the institution when the individuals, the tool, not one in the same.

56

00:08:28.050 --> 00:08:44.550

Marcus"The People's Champ" Banner: This has gone on for generations, I mean we tired enough is enough either we are here to make some impactful changes by balancing the power of accountability and shed light on the 1% abuse of power or This is just another dog and pony show.

57

00:08:44.820 --> 00:08:45.450

Marcus"The People's Champ" Banner: For the site.

58

00:08:45.630 --> 00:08:50.940

Marcus"The People's Champ" Banner: I can continue to highlight the great work being done by our 99%.

59

00:08:51.480 --> 00:08:51.900

Sara Omar: mark is.

60

00:08:54.690 --> 00:09:05.940

Marcus"The People's Champ" Banner: Not through a clever maze only to end up in the same place with the same people and the same institutions, making the exact same final decisions and telling us how we're supposed to spend our tax dollars.

61

00:09:06.360 --> 00:09:12.270

Sara Omar: No, thank you Marcus really appreciate that I mean what would you recommend, what do you see from this list that is missing.

62

00:09:13.320 --> 00:09:22.290

Marcus"The People's Champ" Banner: Is the practice of force engagements rewarded to talk about the force force the engagements and force is two different things.

63

00:09:22.650 --> 00:09:23.790

Sara Omar: Right well.

64

00:09:25.260 --> 00:09:33.840

Marcus"The People's Champ" Banner: The problem and the root is forced engagements nobody in in the black Community cares when the police come and they do their job we're happy to see them.

65

00:09:34.140 --> 00:09:43.290

Marcus"The People's Champ" Banner: The problem is when they start stocking and hunting in our neighborhoods Have you ever get in your car and drove a block or two before you pull your seatbelt on.

66

00:09:43.680 --> 00:09:52.170

Marcus"The People's Champ" Banner: Imagine if somebody was sitting there with a magnifying glass as soon as you got a block away and pulled you over and say hey you don't get to see that one then drug you out of your car.

67

00:09:52.710 --> 00:10:03.960

Marcus"The People's Champ" Banner: want to search your car for drugs, and all this other kind of stuff, this is the type of forced engagements that i'm talking about or standing around watching and waiting to see if you jaywalk or did you spend on the ground.

68

00:10:05.040 --> 00:10:05.640

Marcus"The People's Champ" Banner: This is.

69

00:10:05.850 --> 00:10:09.390

Marcus"The People's Champ" Banner: These are the practices that law enforcement do that need to be addressed.

70

00:10:09.750 --> 00:10:19.830

Sara Omar: I mean we will we will add the the word engagement and I think that was what we were this was being proposed here is didn't mean to reward in any way so.

71

00:10:21.300 --> 00:10:27.420

Sara Omar: We can add we if you think that's what needs to be added under training into something as this.

72

00:10:27.510 --> 00:10:27.930

Sara Omar: topic.

73

00:10:28.200 --> 00:10:39.960

Marcus"The People's Champ" Banner: The first time last time we're talking to don't don't take my word I say exactly what I mean I don't need anybody interpret my words and then rewarding to me something different, this is the second time now that this has happened.

74

00:10:45.060 --> 00:10:52.230

Marcus"The People's Champ" Banner: it's like we don't want to deal with the root of the problem, we want to keep dealing with the surface problems if we get to the root, then there is no surface problems.

75

00:10:53.070 --> 00:11:05.520

Marcus"The People's Champ" Banner: And if those in office don't have the courage to fight for what we need and want to continue to accept what those in power willing to give, then I need to get out of the way and let people who are willing to fight the fight and get what we need not what they want to give.

76

00:11:10.530 --> 00:11:10.830

Sara Omar: Please.

77

00:11:11.700 --> 00:11:12.780

Joshua Brockway: Ask the question real quick.

78

00:11:13.800 --> 00:11:15.180

Joshua Brockway: As a point of clarification.

79

00:11:16.260 --> 00:11:22.410

Joshua Brockway: what's the Marcus when you're talking about this, how does that fit within the practice of entrapment as well.

80

00:11:24.810 --> 00:11:27.510

Joshua Brockway: In terms of racial and other profiling disparities.

81

00:11:32.130 --> 00:11:45.930

Marcus"The People's Champ" Banner: After the treatment, it is not the same as a forced engagement okay Oh, and try minute they they're creating an investigation and they're targeting people who are probably already get some things going on a forced engagement is like.

82

00:11:46.800 --> 00:11:57.000

Marcus"The People's Champ" Banner: Say that law enforcement went into the white neighborhoods and shut down every middle school and high school kid on her way to school because they fit the profile of the next kid that's going to shoot up the school.

83

00:11:57.480 --> 00:12:03.570

Marcus"The People's Champ" Banner: And then, they said we're doing this because it's public safety, this might be the kid the next kid with a gun that shoots up the school.

84

00:12:04.680 --> 00:12:15.870

Marcus"The People's Champ" Banner: So those are forced engages when they see the kid walking down the street, they pull up on a kid they start harassing they start poking out and they see the kid cross the street outside of the walkway and then the example on.

85

00:12:17.490 --> 00:12:30.540

Marcus"The People's Champ" Banner: Those are forced engagement and generally a forced engagement ends up with some sort of resisting arrest charge, because the person does not know what they did wrong and all they know is that law enforcement is coming at them with some kind of wait.

86

00:12:32.040 --> 00:12:36.300

Marcus"The People's Champ" Banner: For some minor infraction white spin on the ground that they have no idea.

87

00:12:41.460 --> 00:12:44.130

Ismael Cordovà: Sarah, if I may speak that'd be great.

88

00:12:45.450 --> 00:12:50.220

Sara Omar: Yes, I think you are next your hand and then then joshua and and Kevin.

89

00:12:53.580 --> 00:12:56.160

Ismael Cordovà: So my apologies, that I wasn't on video earlier.

90

00:12:57.360 --> 00:12:59.880

Ismael Cordovà: I did want to address.

91

00:13:01.170 --> 00:13:03.330

Ismael Cordovà: what's been going on, because I feel like.

92

00:13:05.250 --> 00:13:11.970

Ismael Cordovà: Here we go gearing and walking towards a path in which the direction was not meant to go, and I think that.

93

00:13:12.420 --> 00:13:22.290

Ismael Cordovà: I understand everyone's passion and dedication to the work that we are doing, I think that what we are doing is very, very important in these topics are all very important.

94

00:13:22.680 --> 00:13:28.680

Ismael Cordovà: So I know that little myself and Walter, you know we reached out to certain members of the task force.

95

00:13:28.920 --> 00:13:41.910

Ismael Cordovà: We wanted to hear everyone's feedback we encourage us to continue to reach us reach out to us, and so we can you know voice your opinions and your concerns at our leadership team meeting, so I do want to address that we did put in a lot of work to.

96

00:13:42.180 --> 00:13:42.690

Ismael Cordovà: Sit.

97

00:13:42.750 --> 00:13:50.760

Ismael Cordovà: and talk and discuss what we what we heard and what we are solid believe or certain topics that we should discuss and bring it to you all.

98

00:13:51.510 --> 00:14:03.690

Ismael Cordovà: And nothing was ever meant to undermine anyone else, or to rephrase them or to subject them to a different narrative it was really just us bringing this to the table and trying to come up with.

99

00:14:04.770 --> 00:14:16.500

Ismael Cordovà: Jen more general subcommittees that can be inclusive, to the certain topics so Marcus I hear you when you say it's important to talk about entrapment but also talk about the force engagements.

100

00:14:16.740 --> 00:14:27.480

Ismael Cordovà: And that's also kind of like a point in which I said let's talk about why these people are in the low income communities is it because, in the truly benefit from that or is it because.

101

00:14:27.840 --> 00:14:38.970

Ismael Cordovà: They assume that black and brown folks in a certain neighborhood are more prone to violence, but every research that you'll check is that over policing obviously equates to over reporting.

102

00:14:39.240 --> 00:14:45.450

Ismael Cordovà: And so, things are topic, these are all topics that you can dissect into more and more as we go into this.

103

00:14:47.160 --> 00:14:56.160

Ismael Cordovà: I know that I only speak for myself the leadership team is not here to be another pony show for city council or for the city for anything.

104

00:14:56.670 --> 00:15:09.450

Ismael Cordovà: We come in moving forward with our own respective thoughts and mindsets and I respect Council women powerful and I give respect consonant Shaw, but we do not speak for them, and we do not advocate for their messages.

105

00:15:10.140 --> 00:15:15.180

Ismael Cordovà: Because they have their platform to do that as well, so I don't even really think they need us.

106

00:15:15.900 --> 00:15:22.470

Ismael Cordovà: But just to reiterate I don't want to take away from everyone's time and I encourage everyone else to share their viewpoints, whether you agree or disagree with these other committees.

107

00:15:22.980 --> 00:15:37.680

Ismael Cordovà: But I do just want to reiterate that the work that we are doing is very, very important, and we need to identify, that is, if we do not feel like it is then maybe this is not the role in which you should be serving our Community and that's just in my own respective opinion.

108

00:15:38.520 --> 00:15:42.870

Ismael Cordovà: You know, I just wish that everybody tastes this opportunity to really move forward and.

109

00:15:43.170 --> 00:15:55.500

Ismael Cordovà: learn about how we can better our Community, because it's an ongoing process, not just this task force, and with that I got my soapbox I apologize, and then Thank you ever want to for sharing your thoughts.

110

00:16:01.440 --> 00:16:13.170

Marcus "The People's Champ" Banner: And I say don't change my words right and as far as serving the Community along these lines, I don't know how long you've been involved in and what you know about what goes on in the city.

111

00:16:13.800 --> 00:16:21.660

Marcus "The People's Champ" Banner: All right, so you come in from a baby's perspective and the City Council said that they put this this group together.

112

00:16:21.930 --> 00:16:30.210

Marcus "The People's Champ" Banner: On purpose right you get people who have been dealing with this stuff for some 1520 3040 years and then you have people who just started yesterday.

113

00:16:30.390 --> 00:16:41.430

Marcus "The People's Champ" Banner: So it's like you got a 40 year old man having a conversation with him fit trying to tell you how and what's going to work and what's great in all these ideas, and all this stuff that's going on in other cities.

114

00:16:41.820 --> 00:16:45.900

Marcus"The People's Champ" Banner: We don't need to go to other cities, I can give you a layout right here in our own city.

115

00:16:46.350 --> 00:16:51.630

Marcus"The People's Champ" Banner: And I challenged him, you can lay out all of the arrest and i'll show you exactly what you're forced engagements or red.

116

00:16:52.080 --> 00:17:04.800

Marcus"The People's Champ" Banner: You remove forced engagements and you remove the problem within black moon period and a lot of this stuff needs to be said it's about the black community, we are the ones who are taking the blend of all with.

117

00:17:05.340 --> 00:17:12.300

Marcus"The People's Champ" Banner: Our society wants to go ahead and if it's for everybody, well then we're Okay, with it, but if this were black folks we got a problem with.

118

00:17:13.860 --> 00:17:15.420

Marcus"The People's Champ" Banner: You need to be specific here.

119

00:17:17.610 --> 00:17:24.750

Sara Omar: noted, and we are taking very detailed notes markets and we will add that as like a proposed topic.

120

00:17:26.850 --> 00:17:33.720

Marcus"The People's Champ" Banner: And again he's talking about what direction we're supposed to be going right there which tells me that you have some preconceived.

121

00:17:34.290 --> 00:17:42.540

Marcus"The People's Champ" Banner: narrative of where we're going to take this award supposed to end and and what we're supposed to get out of here to make the city look like they did some wonderful job.

122

00:17:42.870 --> 00:17:45.720

Sara Omar: That is not our intention, this is again, these are all.

123

00:17:46.560 --> 00:17:53.940

Marcus "The People's Champ" Banner: Evidence in front of me right, whatever you say the attention i'm just looking at what's going on in front of me that's it that's it yeah.

124

00:17:54.120 --> 00:17:58.260

Sara Omar: And then, again I just really want to reiterate is this is all proposed.

125

00:17:58.350 --> 00:18:07.080

Sara Omar: We can we can start from zero and make another list or we can say what if these are the six that we want to move forward with.

126

00:18:07.500 --> 00:18:19.860

Sara Omar: or and add more detailed for under each one if that's what we need to do we We understand that we need to really outline that it's forced engagement and we will make note of that.

127

00:18:21.060 --> 00:18:23.670

Ismael Cordovà: So I want to clarify something, and that is.

128

00:18:24.720 --> 00:18:40.710

Ismael Cordovà: We are all adults, I do not have to repeat that every single meeting that we have, so the name pulling the belittling and the trying to trying to play these mind games is so about everyone else's time so let's stop wasting our time to try and play these games because.

129

00:18:41.100 --> 00:18:44.040

Ismael Cordovà: I don't care i'm here i'm sorry we've all.

130

00:18:44.040 --> 00:18:44.370

Ismael Cordovà: We all.

131

00:18:44.970 --> 00:18:45.870

Ismael Cordovà: We all live here.

132

00:18:46.470 --> 00:18:46.860

Marcus"The People's Champ" Banner: From your.

133

00:18:48.180 --> 00:18:48.810

Sara Omar: markers.

134

00:18:49.860 --> 00:18:50.580

Ismael Cordovà: Like I said we.

135

00:18:51.030 --> 00:18:53.130

Kevin Joshua: All live here, this is a leadership.

136

00:18:53.580 --> 00:18:55.890

Ismael Cordovà: All our city all of our city.

137

00:18:56.130 --> 00:18:56.550

Sara Omar: So.

138

00:18:57.090 --> 00:18:57.480

Ismael Cordovà: i'm just gonna.

139

00:18:58.230 --> 00:19:00.540

Marcus"The People's Champ" Banner: Stop it won't get their way.

140

00:19:01.020 --> 00:19:02.820

Ismael Cordovà: So Marcus I let you speak so.

141

00:19:02.820 --> 00:19:04.860

Ismael Cordovà: I would really appreciate it if I had the respect.

142

00:19:05.010 --> 00:19:10.650

Ismael Cordovà: Of that, as well, what the task force doesn't realize is that every single meeting and i've been personally.

143

00:19:11.670 --> 00:19:24.030

Ismael Cordovà: Because I constantly remind everyone that we were meant to be objective Members I remember what I applied for I you read the ordinance I read the scope of work i'm well aware of what we're signing up for I understand that certain people have certain.

144

00:19:24.540 --> 00:19:27.960

Ismael Cordovà: Political you know and Community X.

145

00:19:28.200 --> 00:19:29.130

LeJewel Kelly Crigler: Excuse me.

146

00:19:30.870 --> 00:19:32.040

LeJewel Kelly Crigler: Excuse me.

147

00:19:32.400 --> 00:19:33.120

LeJewel Kelly Crigler: And enough.

148

00:19:33.390 --> 00:19:42.960

LeJewel Kelly Crigler: enough, because this is the thing see the rest of the task force don't know at our last meeting or the meeting before because I couldn't be there because our level was dying.

149

00:19:43.860 --> 00:19:51.870

LeJewel Kelly Crigler: You stepped down you jumped off the zoom call and you said this was not probably for you, because.

150

00:19:52.170 --> 00:20:04.590

LeJewel Kelly Crigler: I was talking to you at the time telling you that I disagree with your behavior along with the facilitation team that you all were bypassing me, you were overstepping me.

151

00:20:05.010 --> 00:20:14.310

LeJewel Kelly Crigler: Of this agenda here I didn't put it together in the last what 24 hours, I was able to finally add something in there.

152

00:20:14.700 --> 00:20:21.870

LeJewel Kelly Crigler: That was it, but other than that everything else on here you all plan I haven't planned anything and i'm supposed to be the Chair.

153

00:20:22.290 --> 00:20:29.550

LeJewel Kelly Crigler: But I know for a fact you all have been having conversations outside of me and all i've been asking is.

154

00:20:30.120 --> 00:20:44.040

LeJewel Kelly Crigler: Excuse me, can y'all including what what's going on, I don't know what's going on, but you, Mr cordova seems to be the one that is running everything that everything is going through you and i'm trying to understand because.

155

00:20:44.340 --> 00:20:50.640

LeJewel Kelly Crigler: exactly like what Mr banner said all of these things is what's happening in the black community.

156

00:20:51.000 --> 00:21:07.590

LeJewel Kelly Crigler: that's what we all are looking at we're looking at the things that have been happening with the black Community for years, I am 56 years old, and I have seen more damage to my Community I don't know what you're talking about young man, I really don't and.

157

00:21:07.620 --> 00:21:15.960

LeJewel Kelly Crigler: Then anytime anyone addresses you you go into this thing that someone is talking to you in reference to you as a person.

158

00:21:16.230 --> 00:21:25.770

LeJewel Kelly Crigler: i'm talking about your behaviors and i'm talking about how you actually have the gumption to take and demean others put others down and then tell others.

159

00:21:26.040 --> 00:21:29.580

LeJewel Kelly Crigler: These is grown people isn't grown folks we are being adults.

160

00:21:29.910 --> 00:21:47.130

LeJewel Kelly Crigler: And we're trying to talk with you, but you come out at all of us ever since this has been going on the person's voice, and I have been hearing is yours and I don't understand at this point in time, how the facilitation team has continued to do this when there's 18 people on here and.

161

00:21:50.430 --> 00:21:54.390

LeJewel Kelly Crigler: Everything to go through the eight, that is all i've ever said.

162

00:21:54.600 --> 00:22:01.680

Sara Omar: don't do, and if not, I would like to talk, can you pause here, Joe do you want to jump in.

163

00:22:02.160 --> 00:22:08.340

Joe Hoereth: yeah I was just gonna say clearly, we have you know we have to address this this.

164

00:22:10.200 --> 00:22:23.490

Joe Hoereth: This point here among the leadership team that we have established we we have tried to establish some roles and get some clarity around that I think there's a little more trust building that we still need to do here with this group.

165

00:22:24.930 --> 00:22:33.900

Joe Hoereth: In the interest of trying to use on the jewels last point about the fact that there are 18 folks here on this committee, we have this leadership group.

166

00:22:34.650 --> 00:22:52.920

Joe Hoereth: identified to try to help us move things forward in the interest of trying to respect their time as well, and in the interest of trying to keep this body moving forward on its on its progress i'm not trying to discount anything that anybody has said.

167

00:22:54.030 --> 00:22:59.280

Joe Hoereth: By proposing that we allow folks to continue to comment on these.

168

00:23:00.330 --> 00:23:06.300

Joe Hoereth: On these topics, while still acknowledging marcus's point about.

169

00:23:07.410 --> 00:23:23.550

Joe Hoereth: The word of mission here right and that's going to get back in there and whether that was done, you know, however, that happened we can we can you know we can certainly acknowledge that, but I think it's more productive to us at this moment, the time of this group to do.

170

00:23:24.630 --> 00:23:33.330

Joe Hoereth: The work that we have before us, you know, unfortunately, people have these feelings and we need to still address that but that's what i'd like to propose.

171

00:23:34.350 --> 00:23:35.970

LeJewel Kelly Crigler: i'm in agreement, totally with.

172

00:23:36.000 --> 00:23:49.440

LeJewel Kelly Crigler: Okay, but we definitely have to stop allowing Ishmael to commit people, people have a right to take and propose or speak what they have to my understanding they're supposed to speak openly.

173

00:23:49.620 --> 00:23:51.660

Joe Hoereth: that's what Larry suggested yes.

174

00:23:51.720 --> 00:24:01.170

LeJewel Kelly Crigler: And when they're doing that you have this young man coming back that attacking people that's not good that's not good so that's all i'm asking is that he stepped back.

175

00:24:01.740 --> 00:24:02.670

LeJewel Kelly Crigler: Okay Mike.

176

00:24:03.720 --> 00:24:12.180

Sara Omar: And I agree, and I think this is a good point it's a good time to just remind everyone of the guidelines, the discussion guidelines that were up on the screen before.

177

00:24:12.510 --> 00:24:23.100

Sara Omar: Please, this is, we need to be speaking with everyone with respect, and I do I do will reiterate that you would raise your hand if you would like to speak.

178

00:24:23.790 --> 00:24:37.740

Sara Omar: Do not just jump into as to respond to anyone, so there is a quite a few people's hands raised and I apologize if I am not tracking this correctly by who raised their hand first but i'm just going to go.

179

00:24:38.340 --> 00:24:48.030

Sara Omar: Like i'm down the list of who that what I see here so i'm going to start with Kevin you have your hand raised, please will and provide your comments.

180

00:24:49.200 --> 00:24:50.280

Kevin Joshua: Thank you, I.

181

00:24:50.370 --> 00:24:51.840

Kevin Joshua: was actually going to.

182

00:24:52.200 --> 00:24:57.090

Kevin Joshua: have three parts i'm trying to make this fast, the first part was actually going to ask the process of which.

183

00:24:57.720 --> 00:25:06.900

Kevin Joshua: How people collaborated and worked on this, so it seems like we have kind of an answer that Thank you Joe for being for expressing those feelings and transparency with us.

184

00:25:07.740 --> 00:25:16.230

Kevin Joshua: I feel that if if the chair and the device sure cannot work together, then there needs to be some sort of discussion revolving.

185

00:25:16.860 --> 00:25:26.070

Kevin Joshua: The leadership team and creating a good environment for for people to work together so that was first point get that out of the way second point I wanted to know.

186

00:25:26.520 --> 00:25:36.210

Kevin Joshua: From the leadership Committee, which now whoever whoever created this document, if any, if they had read what was in the box.

187

00:25:37.020 --> 00:25:45.870

Kevin Joshua: That was given to us the task force had dropped in the resources, a file that stated police disciplinary behaviors.

188

00:25:46.770 --> 00:26:01.500

Kevin Joshua: I guess for leadership team, or any of these ideas ran and checked to make sure that police disciplinary actions or whatever we're looking into does not coincide with this at the state level so that.

189

00:26:01.710 --> 00:26:02.940

Kevin Joshua: we're not wasting our time here.

190

00:26:06.270 --> 00:26:13.500

LeJewel Kelly Crigler: I didn't receive anything Kevin in regards to that, so no, no, I haven't received a seeing anything so.

191

00:26:14.370 --> 00:26:25.140

Kevin Joshua: It smell, did you did you check within the resource box again that says uniformed police officers disciplinary act at the State level or any of ideas check.

192

00:26:26.730 --> 00:26:34.710

Kevin Joshua: With that, and in accordance to that act to make sure that we're not wasting our time here and double downing on something that we might lose it suitable.

193

00:26:35.700 --> 00:26:44.880

Ismael Cordovà: I Kevin no I just checked that document, I went solely on our ordinance and our scope of work to recommend my subcommittee ideas okay.

194

00:26:44.910 --> 00:26:46.230

Kevin Joshua: Thank you for being transparent.

195

00:26:46.560 --> 00:26:51.000

Kevin Joshua: And then the third thing was, I just wanted to propose something on the committee.

196

00:26:52.200 --> 00:27:05.550

Kevin Joshua: As a Commission, so I wanted to honor Point six and seven for the scope of work at the city ordinance given to us and this scope of work speaks about of Let me try to get it open.

197

00:27:07.440 --> 00:27:08.460

Kevin Joshua: It speaks about.

198

00:27:09.900 --> 00:27:17.490

Kevin Joshua: Okay, point six review police data to determine and so forth, as possible if disparities exists and interactions with discernible substance of community.

199

00:27:17.910 --> 00:27:26.160

Kevin Joshua: And then Point seven assess the adequacy of the current staffing status and equipment requirements and making recommendations, based upon best practices here city models.

200

00:27:26.520 --> 00:27:37.830

Kevin Joshua: So therefore combining point in six or six and seven, I want to if it is okay and i've have discussed this with some Task Force Members already if we could establish a committee that it's.

201

00:27:38.610 --> 00:27:44.880

Kevin Joshua: That has the responsibility of accounting the money's going to the police department and making sure.

202

00:27:45.570 --> 00:27:51.360

Kevin Joshua: To see if there's a way that we could reallocate resources within that department and start looking at it that way.

203

00:27:52.230 --> 00:28:06.690

Kevin Joshua: I have a lot of the data already this summer collected that talks about police hours committee hours and programs and the data and the results of the police department within 2020 2021 and it's organized.

204

00:28:07.290 --> 00:28:18.540

Kevin Joshua: So if the leadership team and the committee and every the task force permits, I would like to establish a subcommittee that that relates to Point six and seven of the task force go over.

205

00:28:28.830 --> 00:28:32.130

Sara Omar: Thank you Kevin and we made note of that and adding it to the list.

206

00:28:33.510 --> 00:28:34.800

Sara Omar: aubrey and then joshua.

207

00:28:39.240 --> 00:29:02.040

Aubree Flickema: yeah I have two questions one and I did just look at the box and forgive me if i'm not understanding how it works, but i'm curious if there was any kind of a resource that was put out for Task Force Members who are not in on the leadership team to be able to provide input offline.

208

00:29:03.720 --> 00:29:18.300

Aubree Flickema: and not necessarily because I don't want things to be transparent, more in the respects of time constraints, is there an opportunity for Task Force members to provide feedback or suggestions.

209

00:29:19.230 --> 00:29:27.210

Aubree Flickema: When we're making decisions on things like subcommittees whether that's like doodle poll or adding things.

210

00:29:29.370 --> 00:29:38.100

Aubree Flickema: Just to make sure everybody's input is honored was that is that something that is, is there a tool i'm missing or that was given as an opportunity.

211

00:29:39.030 --> 00:29:52.230

Sara Omar: No, but we, I mean we did send around a mural board to me like to ask if you have any additional suggestions you can add them there as a sticky note so that's still open, and I can we can resend that link, if you would like.

212

00:29:52.560 --> 00:30:04.770

Sara Omar: And then we can also what we're planning on doing is capturing everyone's thoughts and feedback and providing a consolidated list and that way we can send around to the to oberlin after this meeting.

213

00:30:05.250 --> 00:30:07.500

Aubree Flickema: Great Thank you I would appreciate that.

214

00:30:08.850 --> 00:30:19.260

Aubree Flickema: It sounds like some of what is going on here is that perhaps there isn't a and there's a lot going on here, but perhaps one small piece of it is that there's not a great.

215

00:30:20.070 --> 00:30:29.370

Aubree Flickema: way that everyone knows about which you just explained away, where we can provide feedback like that, and so, which is wondering if that might be a way for people to do that.

216

00:30:29.910 --> 00:30:35.040

Aubree Flickema: And then the second question, I had for leadership team is did you consider any.

217

00:30:35.880 --> 00:30:49.890

Aubree Flickema: In your conversations you talk at all about mental health or about social services and how they relate to the police force and how the police force is trained in some of those areas to even refer out where it's appropriate.

218

00:30:51.090 --> 00:30:53.370

Aubree Flickema: I think that's a we're in the middle of a mental health crisis.

219

00:30:54.690 --> 00:31:04.290

Aubree Flickema: In our nation and our world, right now, so i'm gonna be curious to hear a little bit about that is that was something that was not suggest that it is something we consider as a committee.

220

00:31:08.760 --> 00:31:12.510

LeJewel Kelly Crigler: I think it's definitely something every that can be added.

221

00:31:14.190 --> 00:31:23.520

LeJewel Kelly Crigler: That I know of, it has not been discussed, as I stated before i'm kind of getting it just like you all, are doing it, even though i'm in a chair.

222

00:31:23.940 --> 00:31:34.230

LeJewel Kelly Crigler: And that's kind of my issue of what i'm having you know because I definitely was under the or wants with kept suggesting suggesting.

223

00:31:34.620 --> 00:31:50.280

LeJewel Kelly Crigler: That you all, would have input on this, and that was you know my thing that i'd be able to contact you all, are you all, be able to email me, you know or contact me in some sort of way so that we could get these things.

224

00:31:51.660 --> 00:32:08.280

LeJewel Kelly Crigler: Ideas put on here um, and again I just you know get the list with all your names and your emails so, unfortunately, no um you know at least I have and I don't know if someone else has, but I did not so sorry.

225

00:32:08.790 --> 00:32:15.120

LeJewel Kelly Crigler: But I will be in contact with you going further, to make sure that you know I get your information, if you don't mind.

226

00:32:15.750 --> 00:32:19.710

Aubree Flickema: yeah that's great I was just curious if it was a point of conversation.

227

00:32:19.770 --> 00:32:20.370

Aubree Flickema: Yes, one.

228

00:32:20.520 --> 00:32:21.690

Aubree Flickema: represented in here so.

229

00:32:21.960 --> 00:32:24.300

LeJewel Kelly Crigler: yeah and i'm in agreement with you that's something to I.

230

00:32:24.360 --> 00:32:27.210

LeJewel Kelly Crigler: definitely think that should be on here, thank you.

231

00:32:28.530 --> 00:32:30.420

Aubree Flickema: yeah I had to sure.

232

00:32:30.870 --> 00:32:42.780

Sara Omar: Thank you um, I just wanted to announce that this is being live on YouTube just call us for the some of the technical difficulties in the beginning, but just want everyone to be aware of that.

233

00:32:44.760 --> 00:33:03.420

Sara Omar: And again, this is really the start of the conversation, and I really hope that every we are capturing everyone's thoughts, but we will provide multiple avenues for everyone to provide feedback after this meeting so just going down tish and then joshua and and Marcus.

234

00:33:09.510 --> 00:33:10.980

Tish Calhamer: Thank you, good evening everyone.

235

00:33:12.780 --> 00:33:27.690

Tish Calhamer: I see these topics as being categories, and if you have a particular passion within a category that should be the subcommittee that you pursue and you bring that voice forward.

236

00:33:28.260 --> 00:33:44.040

Tish Calhamer: I personally agree with aubrey I happen to be very interested in the topic of mental health mental health could certainly pop up under training, I believe the Elgin police department trains all of their officers and crisis intervention training.

237

00:33:45.120 --> 00:33:55.590

Tish Calhamer: It can also come under kevin's proposed subcommittee of allocation of funds, do you allocate funds to the police as.

238

00:33:56.130 --> 00:34:12.780

Tish Calhmer: First responder and social services arena or not, so it could come up there, it could come up in a variety of different places, whatever your passion is, whatever your direction is your voice could be heard in any of these subcommittees I believe.

239

00:34:13.830 --> 00:34:20.850

Tish Calhmer: I don't want to waste any more time itemizing under these proposed topics and they are proposed.

240

00:34:21.900 --> 00:34:30.870

Tish Calhmer: I also want to just throw this out there, I would recommend Can we just fast track the the citizens review board.

241

00:34:31.560 --> 00:34:45.300

Tish Calhmer: The civilian review board because, clearly, there is a lot of interest there's a lot of passion there's a lot of work that's already been done, let everyone who is interested in that topic run with it.

242

00:34:46.350 --> 00:34:48.480

Tish Calhmer: And then the other topics.

243

00:34:50.400 --> 00:34:52.980

Tish Calhmer: can just be parsed out amongst.

244

00:34:54.000 --> 00:34:54.810

Tish Calhmer: The rest of us.

245

00:34:58.410 --> 00:34:59.280

Tish Calhmer: And by the way.

246

00:35:00.300 --> 00:35:06.360

Tish Calhmer: I have to commend Marcus for speaking with candor brutal honesty.

247

00:35:07.530 --> 00:35:09.180

Tish Calhmer: pain and frustration.

248

00:35:10.200 --> 00:35:22.290

Tish Calhamer: But on the other hand, I do agree that we need to be respectful and we need to be civil however i'm also going to say that sometimes we can waste a lot of time by.

249

00:35:22.860 --> 00:35:29.610

Tish Calhamer: thanking everybody for being honest and saying things like I hear you I hear you and then our true feelings erupt.

250

00:35:30.360 --> 00:35:42.090

Tish Calhamer: Why don't we just have a conversation let everyone speak, however, raw however formal however pained, however, blah say whatever you want to say.

251

00:35:42.780 --> 00:35:56.520

Tish Calhamer: The respect comes in, simply listening, this is not an opportunity to prove that you're some sort of super listener and you're thanking everybody, for you know being so honest just let people speak.

252

00:35:59.880 --> 00:36:00.360

Tish Calhamer: Thank you.

253

00:36:07.290 --> 00:36:07.800

Sara Omar: Thank you.

254

00:36:08.280 --> 00:36:10.140

Sara Omar: joshua and then mark is.

255

00:36:13.650 --> 00:36:16.980

Joshua Brockway: just looking down the list and and hearing.

256

00:36:18.420 --> 00:36:28.920

Joshua Brockway: My feeling would be to put the forced engagement and those things under the racial profiling and disparities, rather than under training, I think the question under training is about use of force.

257

00:36:30.060 --> 00:36:37.170

Joshua Brockway: And and hearing Marcus and the clarity, the difference between entrapment and that forced engagement it really as a question about.

258

00:36:38.070 --> 00:36:50.430

Joshua Brockway: policing in the black community, and so I would rather see that up there, instead of putting that with training, however, I do want to see mental health broken out into two different categories one is.

259

00:36:51.930 --> 00:36:58.050

Joshua Brockway: Well, three right kind of like like I said about both training and financial allocations.

260

00:36:59.250 --> 00:37:13.620

Joshua Brockway: How do you engage persons with mental health, I was looking through the response to resistance for 2020 and about a third little over a third of the engagements on resistance or around were categorized as emotionally distressed.

261

00:37:15.210 --> 00:37:16.320

Joshua Brockway: that's a big piece of.

262

00:37:18.000 --> 00:37:19.530

Joshua Brockway: engagement in terms of policing.

263

00:37:21.420 --> 00:37:32.040

Joshua Brockway: higher than drug use, not quite as high as alcohol, but I think that's important to pay attention to, but I also want us to ask the recruitment question and retention and mental health of the police officers.

264

00:37:33.870 --> 00:37:43.050

Joshua Brockway: If you look through some of the the recent reporting, you know we talked about a suicide intervention, domestic violence and then.

265

00:37:44.490 --> 00:37:50.580

Joshua Brockway: Then you ask them to go police a crime scene, especially two murders in the last few months.

266

00:37:52.590 --> 00:38:01.140

Joshua Brockway: Police Officers engage a lot and I don't want to I don't want an officer on the beat who is emotionally distressed themselves and and loses their.

267

00:38:01.830 --> 00:38:11.070

Joshua Brockway: loses their cool in the middle of their job because of the emotional capacity of their job, so I think that's one place where we can tag mental health in a variety of ways.

268

00:38:12.600 --> 00:38:24.360

Joshua Brockway: i'm concerned about the accountability piece, and the the racial disparities one, because I think those overlaps so much and so i'm trying to figure out how to parse those out or if those are important to split.

269

00:38:24.810 --> 00:38:33.090

Joshua Brockway: In the different timeframes, even though they both have a lot of energy, because I think they will overlap pretty significantly thanks.

270

00:38:34.410 --> 00:38:36.750

Joe Hoereth: Sarah, can I just jump in on that one.

271

00:38:37.290 --> 00:38:40.530

Joe Hoereth: joshua thanks for pointing that out, I think one of the things we'll be doing is.

272

00:38:41.010 --> 00:38:46.350

Joe Hoereth: paying attention to that overlap and helping to pay attention to it, pointing it out.

273

00:38:51.090 --> 00:38:54.570

Sara Omar: Thank you Marcus and then councilmember.

274

00:38:54.630 --> 00:38:55.080

Paul.

275

00:38:57.570 --> 00:38:59.160

Marcus"The People's Champ" Banner: I just want to say that.

276

00:38:59.970 --> 00:39:01.140

Marcus"The People's Champ" Banner: Whatever we're doing here.

277

00:39:01.650 --> 00:39:02.880

Tish Powell: Can we please not going.

278

00:39:02.880 --> 00:39:14.280

Marcus"The People's Champ" Banner: into it, what we can and can't do right there's laws there's all kinds of ordinances and ceilings that are put in order to prevent us from getting where we need to.

279

00:39:14.310 --> 00:39:14.670

Be.

280

00:39:15.780 --> 00:39:19.980

Marcus"The People's Champ" Banner: So the things that I personally talk about I know they're not it easy.

281

00:39:21.030 --> 00:39:31.710

Marcus"The People's Champ" Banner: I know it's fun, but we have to go at it and find what is needed, not what they're going to allow us to do, and just because something is written into long, it can be unwritten.

282

00:39:32.070 --> 00:39:40.710

Marcus"The People's Champ" Banner: And if you don't believe me look at what they did to the 1965 voters Rights Act look what they're doing to the woman's reproduction laws.

283

00:39:41.130 --> 00:39:51.090

Marcus"The People's Champ" Banner: Right so just because something is there doesn't mean we can't do it, we just have to be willing to fight the fight all the way to the Supreme Court if necessary.

284

00:39:51.930 --> 00:40:00.420

Marcus"The People's Champ" Banner: that's my dedication to this and if if you know people are looking for some easy win and that's what my problem is is.

285

00:40:01.080 --> 00:40:15.240

Marcus"The People's Champ" Banner: We don't need an easy when we need, what is needed in order to actually make change and to create a balance of power and accountability, with that that's that's what we should get out of this anything less than that.

286

00:40:16.440 --> 00:40:17.250

Marcus"The People's Champ" Banner: there's no change.

287

00:40:26.580 --> 00:40:29.100

Sara Omar: Thank you, my goodness councilmember Pal.

288

00:40:31.740 --> 00:40:52.800

Tish Powell: Good evening, I just wanted to ask the facilitation team to address the items that are in inbox and how they got in the resource folder because just looking at what's there it is, it appears that some of that is in response to questions or.

289

00:40:54.360 --> 00:41:00.120

Tish Powell: concerns that were brought up from some of our previous meetings, I see a copy of.

290

00:41:01.770 --> 00:41:09.390

Tish Powell: The current collective bargaining agreement, I also see a copy of the police officers, a bill of rights.

291

00:41:11.550 --> 00:41:13.770

Tish Powell: So those are just resources that.

292

00:41:15.780 --> 00:41:20.430

Tish Powell: address some of the questions I believe that came up, but I think it would be helpful.

293

00:41:21.960 --> 00:41:41.520

Tish Powell: That, as these things are being placed and box if obviously if some of these are being placed in box forward in response to questions that have come up at the meetings, then there should be something that goes out to the group to say hey.

294

00:41:42.570 --> 00:41:56.280

Tish Powell: There was a question that came up regarding this or this request for information was made, it is now inbox in this is what it is, or this is what it looks like I think that would help.

295

00:41:57.060 --> 00:42:09.150

Tish Powell: Rather than just throwing things in there and then people going to the folder and not understanding what's there, or why or how it got there if that makes sense.

296

00:42:10.350 --> 00:42:19.200

Tish Powell: But if someone can kind of just go through this stuff that's there now, I think I addressed a couple of them I can't I wasn't an address all of them.

297

00:42:31.260 --> 00:42:41.130

Joe Hoereth: So councilman power i'm not in a position at this moment to pull it up, but I don't know somebody on our team is pulling it up, I just want to address the suggestion about.

298

00:42:42.960 --> 00:42:46.380

Joe Hoereth: sending out a response sending out a note to the task force.

299

00:42:47.790 --> 00:42:53.220

Joe Hoereth: when something goes in there we'll do that in the future, we might even try to have a way to.

300

00:42:53.760 --> 00:43:07.710

Joe Hoereth: send it out in a digest form if we're putting things in multiple items in so that we're not bombarding people with emails but yes, no, I agree with your point about if something is in there, in response to a task force members question.

301

00:43:07.920 --> 00:43:11.010

Joe Hoereth: or request for it will let people know once it's in there.

302

00:43:13.560 --> 00:43:15.180

Tish Powell: Thank you, I think that would be helpful.

303

00:43:16.620 --> 00:43:19.830

Tish Powell: And I in just to adjust some of the other things i've you know.

304

00:43:21.930 --> 00:43:24.090

Tish Powell: I I don't look at this as.

305

00:43:24.510 --> 00:43:26.400

Tish Powell: A forest or dog and pony show.

306

00:43:27.930 --> 00:43:35.010

Tish Powell: i'm sure I know I have other things I could be doing and i'm sure everyone on this task force has other things that they can be doing.

307

00:43:36.930 --> 00:43:52.800

Tish Powell: The goal of this task force, I mean, obviously we had to have some type of structure in order to form the task force, and that is where the ordinance came in, but we kept it pretty open so that.

308

00:43:53.880 --> 00:43:56.280

Tish Powell: This task force could still address.

309

00:43:57.840 --> 00:44:07.830

Tish Powell: A lot of the concerns and, hopefully, all of the concerns that you all have I haven't heard anything that's been said here today that.

310

00:44:08.610 --> 00:44:20.640

Tish Powell: can't or shouldn't be addressed the profiling issue is a real issue, the forced engagements are a real issue that is something that could easily fall under.

311

00:44:21.240 --> 00:44:31.230

Tish Powell: The sub committee for profiling, those are real issues there's data probably that shows that that's a real issue that needs to be addressed.

312

00:44:32.400 --> 00:44:34.290

Tish Powell: it's nothing that even be argued about.

313

00:44:36.480 --> 00:44:42.600

Tish Powell: But the whole I think what really needs to happen at these meetings is.

314

00:44:43.650 --> 00:44:52.680

Tish Powell: Before we end these meetings, we need to make sure that there's some type of consensus from everyone.

315

00:44:53.220 --> 00:45:06.570

Tish Powell: on how to move forward, I even heard some suggestions on using doodle or some other type of mechanism for folks to communicate ideas in between meetings.

316

00:45:07.080 --> 00:45:20.220

Tish Powell: I think that's important because I think a lot of the work that is going to have to be done is going to have to be done in between the meetings we're only meeting every other week or two hours at a time.

317

00:45:21.330 --> 00:45:23.790

Tish Powell: So I don't want to take up a lot of time, but those were just.

318

00:45:24.840 --> 00:45:35.220

Tish Powell: My quick feedback and just wanting to make sure that as we you know put things in that that dropbox that a people know that they're there and be that.

319

00:45:36.360 --> 00:45:41.460

Tish Powell: there's some explanation on what it is and if it's addressing something that people have asked for.

320

00:45:46.020 --> 00:45:50.910

IPCE | Norma E Ramos: A great Council member Paul, I just want to add something really quick before Sarah continues that facilitation.

321

00:45:51.480 --> 00:46:03.660

IPCE | Norma E Ramos: In the in the box folder there is a way for us to also add notes and we can do that, and so that we can identify like what those resources are and why we why they are where they are as well, so we can do that, we can work on that this week.

322

00:46:05.520 --> 00:46:06.000

Tish Powell: Thank you.

323

00:46:09.810 --> 00:46:18.510

Sara Omar: Thank you, thank you, one to note that it is 804 and we do have another agenda item but.

324

00:46:18.660 --> 00:46:20.610

Sara Omar: Just noting that there are.

325

00:46:21.090 --> 00:46:22.020

Joe Hoereth: No for Sarah.

326

00:46:22.830 --> 00:46:24.600

Sara Omar: Oh, thank you i'm.

327

00:46:25.650 --> 00:46:27.270

Sara Omar: Sorry, I am an Eastern time.

328

00:46:28.530 --> 00:46:40.380

Sara Omar: We do have people whose hands are raised does do everyone feel comfortable that we continue this conversation until and then take a break before we move on to the next topic.

329

00:46:44.700 --> 00:46:45.480

Sara Omar: I see.

330

00:46:46.110 --> 00:46:48.630

Sara Omar: Okay, I do not see any objections so.

331

00:46:49.920 --> 00:46:51.780

Sara Omar: I do see aubree you have your hand.

332

00:46:51.780 --> 00:46:52.260

raised.

333

00:46:53.280 --> 00:46:53.700

Sara Omar: Please.

334

00:46:53.730 --> 00:46:54.690

Sara Omar: Please go ahead.

335

00:46:55.800 --> 00:47:08.310

Aubree Flickema: yeah um I have already spoken, and so, if there's someone that has not spoken that has their hand raised, I love for them to have a chance to speak so is there, someone in line behind me, that has not spoken yet.

336

00:47:09.510 --> 00:47:10.560

Aubree Flickema: Can we get a chance.

337

00:47:11.550 --> 00:47:21.240

Sara Omar: And do not see anyone else to other hand, raise what I do want to pause and allow anyone else to raise their hand who hasn't spoken yet great.

338

00:47:29.550 --> 00:47:35.430

Sara Omar: I do not see anyone's hands being raised so aubrey go ahead and with your comment.

339

00:47:36.330 --> 00:47:44.250

Aubree Flickema: Okay, my comment is a question for Marcus I you mentioned in your last comment you made a statement about.

340

00:47:45.360 --> 00:47:58.500

Aubree Flickema: Not folks not being held back by things that and forgive me if i'm not using the exact phrase ology that you use, but by what we can't do I think I know what you're getting at there, but for my own clarity sake.

341

00:47:59.670 --> 00:48:05.790

Aubree Flickema: i'm interested to hear if there's something specific that you mean by that and really just for me to be able to hear and learn.

342

00:48:07.320 --> 00:48:11.280

Marcus"The People's Champ" Banner: Okay, so generally when you're dealing with tough situations.

343

00:48:12.480 --> 00:48:24.060

Marcus"The People's Champ" Banner: Whether it's you know gun reform or whatever, when you first start talking about it, they always start telling you about all of these laws and these policies that were put in place to protect mall force missing being held accountable.

344

00:48:24.390 --> 00:48:27.900

Marcus"The People's Champ" Banner: or put in place to protect the manufacturers from being held accountable.

345

00:48:28.440 --> 00:48:38.730

Marcus"The People's Champ" Banner: Right, just because these things have been written into law already does not mean that they cannot be rewritten and taken out and that's why I use the 1965.

346

00:48:39.330 --> 00:48:49.110

Marcus"The People's Champ" Banner: Voting rights because, as you can see, they turned around and got it then and ripped it apart and started creating always a voter suppression laws, the same thing they're doing with.

347

00:48:49.830 --> 00:49:01.020

Marcus"The People's Champ" Banner: You know, one is reproduction right there gutting everything that's already been put in place, but see they have people who have the courage to fight, even if they gotta go away to the Supreme Court.

348

00:49:01.170 --> 00:49:12.840

Marcus"The People's Champ" Banner: that's what i'm saying, if my dedication, is to fight for this until I die right and I willing to fight as long and it's hard and wherever it takes me it takes me that's my level of commitment.

349

00:49:13.470 --> 00:49:17.550

Marcus"The People's Champ" Banner: And when I started seeing certain things when we start talking about well let's look and see what.

350

00:49:18.150 --> 00:49:23.700

Marcus"The People's Champ" Banner: They want us to do, as opposed to what we need to do, then that raises red flags with me.

351

00:49:23.910 --> 00:49:31.650

Marcus"The People's Champ" Banner: Or if we have to look and see what laws they have in place where we don't even talk about that because there's always ready, a law there that prevents us from dealing with that.

352

00:49:32.070 --> 00:49:42.750

Marcus"The People's Champ" Banner: know, if anything, we should be looking at the law so we know how to go about having those laws overturned and ripped apart and move that, in a way, so that we can get to what we need.

353

00:49:45.090 --> 00:49:45.690

Marcus"The People's Champ" Banner: I hope that.

354

00:49:47.070 --> 00:49:48.090

Marcus"The People's Champ" Banner: helps you out a little bit more.

355

00:49:48.420 --> 00:50:00.120

Aubree Flickema: yeah that that does provide some clarity, thank you, I appreciate you speaking to that, and then the second thing I just wanted to say is that I just want to be cautious, as we continue as a group that.

356

00:50:01.170 --> 00:50:08.970

Aubree Flickema: there's a lot of different perspectives here, I know that I probably disagree with lots of things that a lot of people.

357

00:50:09.600 --> 00:50:15.930

Aubree Flickema: believe, and I know that there's things that people disagree with me on, and I want to be just cautious that we are not.

358

00:50:16.890 --> 00:50:32.910

Aubree Flickema: That we're honoring where every person is at in their own journey and in their own life and what they have to bring because of their own perspective, even when it comes to things like age and things like gender and all the other spectrums of of differences that are represented on this.

359

00:50:32.910 --> 00:50:44.940

Aubree Flickema: Committee and so yeah just want to remind everyone of that and i've heard it a little bit today and feel like I wanted to speak up and say something about some.

360

00:50:48.840 --> 00:50:52.290

Sara Omar: You Denise you have you know if.

361

00:50:52.350 --> 00:51:02.040

Danise Habun: I have two things first pastor blaylock is not able to get into the meeting, so if somebody could please help him, that would be great.

362

00:51:03.270 --> 00:51:07.740

Sara Omar: Thank you will someone will reach out to him and help him get in.

363

00:51:08.160 --> 00:51:11.550

Danise Habun: Okay that's, the first thing and second thing.

364

00:51:13.500 --> 00:51:16.290

Danise Habun: And a lot of my conversations with folks.

365

00:51:18.420 --> 00:51:18.810

Danise Habun: and

366

00:51:18.840 --> 00:51:20.130

Danise Habun: This kind of goes.

367

00:51:21.450 --> 00:51:22.410

Danise Habun: To.

368

00:51:23.640 --> 00:51:26.670

Danise Habun: The point of getting to the root of things.

369

00:51:28.260 --> 00:51:45.480

Danise Habun: We have surface conversations often about horrible things horrible things that have been done horrible things that have been done to members of our Community horrible things that have been done to members of our Community.

370

00:51:47.040 --> 00:51:52.050

Danise Habun: By law enforcement and and in the.

371

00:51:54.060 --> 00:51:55.950

Danise Habun: Hearing as i'm hearing.

372

00:51:56.820 --> 00:52:01.230

Danise Habun: about these things and i'm talking not just now i'm talking about.

373

00:52:01.320 --> 00:52:04.620

Danise Habun: For the last 10 or 15 years.

374

00:52:06.540 --> 00:52:15.750

Danise Habun: It is almost like we need a subcommittee for this work around the concept of atonement.

375

00:52:17.130 --> 00:52:26.640

Danise Habun: Many of the officers who have committed those past really bad acts are no longer part of the.

376

00:52:27.900 --> 00:52:32.580

Danise Habun: Police department, however, what they've done.

377

00:52:33.930 --> 00:52:34.860

Danise Habun: lingers.

378

00:52:36.030 --> 00:52:46.770

Danise Habun: And I hear about certain officers from several generations of members of our Community, but the same officer.

379

00:52:47.880 --> 00:52:55.620

Danise Habun: And so, something that keeps like welling up in me is that maybe we need a subcommittee on atonement.

380

00:52:56.820 --> 00:53:03.120

Danise Habun: Looking at and I don't even know if that's the right word but it's more about.

381

00:53:04.350 --> 00:53:11.370

Danise Habun: Some very clear and acknowledged acknowledgement that these things did happen.

382

00:53:12.810 --> 00:53:13.980

Danise Habun: And they were wrong.

383

00:53:15.660 --> 00:53:30.000

Danise Habun: And how can we move forward when the sins of the past, have not been addressed, and so I just want to kind of put those words out into the universe, thank you.

384

00:53:33.390 --> 00:53:34.170

Thank you Denise.

385

00:53:35.670 --> 00:53:50.880

Sara Omar: We have captured every everyone's suggestions it doesn't sound like anyone would like to remove any that were proposed, but we did have some additional additions and some additional subcommittees and you will sub tasks that.

386

00:53:51.780 --> 00:54:07.770

Sara Omar: That we should be also focusing on, and with that I do want to take a break is 711 so everyone can come back by 720 and we can move on to the next item of the agenda.

387

00:57:19.980 --> 00:57:23.160

LeJewel Kelly Crigler: If you're on Walter needs to be let in.

388

00:57:27.810 --> 00:57:29.490

Sara Omar: Okay, I thought he was on.

389

00:57:30.270 --> 00:57:34.620

LeJewel Kelly Crigler: That note he's not on cuz he's on the phone yeah he just got off the phone with me.

390

00:57:35.130 --> 00:57:36.780

Sara Omar: Okay well okay.

391

00:57:37.170 --> 00:57:39.570

LeJewel Kelly Crigler: Okay Okay, thank you yep.

392

01:00:19.710 --> 01:00:24.720

Sara Omar: Everyone will be we'll get started in two minutes, so please slowly make your way back.

393

01:03:14.250 --> 01:03:18.480

Joe Hoereth: Alright i'm sorry I think we'll get started again.

394

01:03:20.700 --> 01:03:21.780

Joe Hoereth: I know that.

395

01:03:23.670 --> 01:03:31.230

Joe Hoereth: looks like like pastor billy Ark is still having difficulty connecting with audio hopefully he can get that.

396

01:03:32.790 --> 01:03:40.410

Joe Hoereth: That connection up and running soon Maybe you can at least hear us, but I can see that is still working on that so we'll get started.

397

01:03:41.520 --> 01:03:55.050

Joe Hoereth: With this next item on our agenda, which is an overview from chief lally and Elgin PD of the canine program including data and then followed by a discussion, and I think when we.

398

01:03:56.790 --> 01:03:57.900

Joe Hoereth: You know the last meeting.

399

01:03:59.760 --> 01:04:06.390

Joe Hoereth: The last meeting we had a discussion about under accountability related to the civilian review board.

400

01:04:07.170 --> 01:04:20.820

Joe Hoereth: And I think at the time, this was another topic that we were thinking, maybe was under that category, but, as these subcommittees get decided on, I could be that this presentation fits somewhere else.

401

01:04:22.200 --> 01:04:44.250

Joe Hoereth: In with those topics, but you know we're we're we're going to definitely learn about that program now and put it to use wherever it falls in our in our Subcommittee discussions, so a chief loudly i'm going to turn it over to to City Hall, I think you might be there.

402

01:04:49.350 --> 01:04:50.490

City Hall: Yes, good evening everyone.

403

01:04:50.970 --> 01:04:51.270

Okay.

404

01:04:54.900 --> 01:04:57.450

City Hall: So it looks like Kevin has his hand up, so I don't want to start.

405

01:04:59.970 --> 01:05:01.170

Kevin Joshua: I chief loudly thank.

406

01:05:01.170 --> 01:05:01.350

City Hall: You.

407

01:05:01.560 --> 01:05:02.280

and courtesy.

408

01:05:03.390 --> 01:05:10.740

Kevin Joshua: I, I just wanted to bring up the concerns of of this being on Task Force time I remember this was being.

409

01:05:11.280 --> 01:05:19.710

Kevin Joshua: made this decision was made during the time where the task force it hasn't really voted on anything, it was more or less hearing marcus's concerns.

410

01:05:20.070 --> 01:05:38.310

Kevin Joshua: And of course I believe those address those concerns need to be addressed as well, however, I sort of feel like it's an appropriate that you know there's other times, where I believe that the city could use other than tests were times to to present such.

411

01:05:39.360 --> 01:05:41.910

Kevin Joshua: trainings ideas or etc, but.

412

01:05:43.740 --> 01:05:46.200

Kevin Joshua: that's just how I feel, but thank you, I don't want to start too much.

413

01:05:47.070 --> 01:05:54.840

City Hall: yeah and and just you know if, whatever the task force decides if if you know, I was asked to give this information in in presentation.

414

01:05:55.200 --> 01:06:02.790

City Hall: If the task force chooses to want to you know have this information disseminated to them in a different way, let me know.

415

01:06:03.420 --> 01:06:12.960

City Hall: Obviously it's your time so whatever you know, whatever you guys want me to do i'm your resource and i'm fine with whatever it is that you choose and there's a few hands so.

416

01:06:13.260 --> 01:06:14.730

Joe Hoereth: Joe i'll let you take the hands and.

417

01:06:14.730 --> 01:06:15.420

City Hall: i'll be on.

418

01:06:17.370 --> 01:06:19.260

Joe Hoereth: My apologies Denise I missed your hand earlier.

419

01:06:20.580 --> 01:06:22.800

Joe Hoereth: You had a question up front or was that an Olympian.

420

01:06:25.230 --> 01:06:27.870

Danise Habun: epon well i'm not gonna say it's an old hand.

421

01:06:27.900 --> 01:06:28.110

But.

422

01:06:29.130 --> 01:06:33.060

Joe Hoereth: I didn't read it that way i'm sorry my hand from before.

423

01:06:35.760 --> 01:06:36.180

Joe Hoereth: Okay.

424

01:06:36.840 --> 01:06:45.420

Marcus"The People's Champ" Banner: Marcus yeah i'm with Kevin on that I didn't ask for presentation about the canine unit and I don't think that.

425

01:06:46.380 --> 01:06:57.150

Marcus"The People's Champ" Banner: PT presentations should be on our test first meetings on that they have other platforms, where they show how great the policy is, and the work that they're doing is great.

426

01:06:58.020 --> 01:07:09.630

Marcus"The People's Champ" Banner: So unless it's the specific stuff that was asked for that I don't think it should be presented here and no disrespect to achieve i'd love to hear her talk.

427

01:07:13.260 --> 01:07:13.860

Kevin Joshua: Pure.

428

01:07:14.160 --> 01:07:16.500

Joe Hoereth: chair kriegler I like I like to.

429

01:07:17.640 --> 01:07:35.190

Joe Hoereth: discuss this with you, I think we, you know as you were taking as you were starting to take in step into your role, this was an item on the agenda already so I just wanted to ask you know weigh in on what we've heard related to music Task Force con.

430

01:07:36.540 --> 01:07:51.660

LeJewel Kelly Crigler: Okay um well at this point, I see that there are two objections to this at this point, so I would say, to put it to the task force as of right now and let them take a vote on it.

431

01:07:52.770 --> 01:08:04.170

LeJewel Kelly Crigler: that's what I would say to do with respect to a chief lally as well you know definitely We appreciate you, you know coming out and doing this for us.

432

01:08:05.220 --> 01:08:19.800

LeJewel Kelly Crigler: But at this time, I think that we're really wanting to get started on things you know, with the task force so from what i'm seeing here and I guess it would be a matter of hands.

433

01:08:21.480 --> 01:08:28.680

LeJewel Kelly Crigler: Of who you know is wanting this as of right now, and who is not so I would say anyone right now that would want.

434

01:08:29.700 --> 01:08:32.460

LeJewel Kelly Crigler: To have this presentation, could you please put your hands up.

435

01:08:38.550 --> 01:08:39.210

LeJewel Kelly Crigler: Okay.

436

01:08:42.600 --> 01:08:51.120

LeJewel Kelly Crigler: Okay, we have one hand here, so I think overwhelming at this time would declining.

437

01:08:51.870 --> 01:08:54.750

LeJewel Kelly Crigler: The offer at this time, chief Thank you.

438

01:08:55.800 --> 01:09:04.440

City Hall: So if if the task force facilitators would like to advise me how I think it's a valuable information that the test was can use.

439

01:09:05.340 --> 01:09:12.330

City Hall: Your information that I think will guide some of your conversations so, however, you would like that information disseminated.

440

01:09:12.780 --> 01:09:25.440

City Hall: Obviously you know, allowing me the ability to give the context around things be able to answer questions but however you guys choose to you know for me to deliver that to you just let me know and i'm more than happy to assist.

441

01:09:27.120 --> 01:09:28.530

LeJewel Kelly Crigler: Thank you get cheap whalley.

442

01:09:31.140 --> 01:09:39.630

Joe Hoereth: kriegler i'd like to suggest that actually we we we sort of keep this presentation cheap wiley if you don't mind.

443

01:09:40.740 --> 01:09:58.830

Joe Hoereth: In back pocket or you know around in case it comes up within a subcommittee as something that they want to better understand or ask you questions about in the meantime in the off time in between our meetings here one of the things we can do.

444

01:10:00.810 --> 01:10:16.020

Joe Hoereth: check river and the leadership committee few brief is under just try to maybe gather what can be shared, that in written format, since at this point that's what we have for sharing with with the committee.

445

01:10:17.220 --> 01:10:19.830

Joe Hoereth: And and making that available to people as well.

446

01:10:23.130 --> 01:10:25.650

Joe Hoereth: And I see pins joshua.

447

01:10:26.670 --> 01:10:27.960

City Hall: Joe one other thing too.

448

01:10:27.960 --> 01:10:28.140

Joe Hoereth: Is.

449

01:10:28.560 --> 01:10:32.400

City Hall: You know I know that you were going to reach out to I believe Marcus to.

450

01:10:33.630 --> 01:10:41.610

City Hall: Give me some specific information, and so, then, if there are specific questions, and I want to be able to give that information so.

451

01:10:42.150 --> 01:10:49.740

City Hall: But it's you know again it's not proper for me to contact the task force members individually, which is why I have to go through the task force.

452

01:10:50.160 --> 01:10:58.860

City Hall: So when I get that information i'm more than happy to respond give information, but you know, I just want to stress that you know it's.

453

01:10:59.490 --> 01:11:07.230

City Hall: To give you guys what you need to be informed, to make some decisions I heard a couple conversations about mental health there's actually a.

454

01:11:08.070 --> 01:11:16.860

City Hall: PR there's something in the safety act that addresses officers mental health and mandatory check in so there's a lot of stuff that you guys are talking about that I can give you some really good information.

455

01:11:17.400 --> 01:11:20.640

City Hall: i'm more than happy to provide it, however, and that's all i'll say so thank you.

456

01:11:22.950 --> 01:11:25.560

Joe Hoereth: Thank you, chief and and Marcus I think.

457

01:11:25.620 --> 01:11:26.580

Joe Hoereth: You might be.

458

01:11:26.970 --> 01:11:28.770

Joe Hoereth: Sending her that information soon.

459

01:11:31.260 --> 01:11:32.790

Joe Hoereth: A joshua.

460

01:11:34.440 --> 01:11:36.990

Joshua Brockway: If I just have one question about that, when I went through the.

461

01:11:38.370 --> 01:11:40.320

Joshua Brockway: Transparency site I didn't see any.

462

01:11:40.830 --> 01:11:41.550

Joshua Brockway: data.

463

01:11:41.580 --> 01:11:48.420

Joshua Brockway: Related to canine deployment and stuff like that did I miss it or is it not reported there.

464

01:11:48.840 --> 01:12:00.750

City Hall: No, so the transparency side has the last two years of use of force data, the rest are contained in the annual reports, one of which I think you reference we just built that transparency site and we included.

465

01:12:01.170 --> 01:12:11.340

City Hall: The last two years of data, the rest are in annual reports, you have to look for it, so that would be again something that I would provide some information on on where to locate this where you can do some.

466

01:12:11.790 --> 01:12:25.080

City Hall: Your own research so that was another thing I was going to try to guide you through so if that's where I have to you know do some type of you know, send you guys a document or send a task worst look here look here look here to help guide i'm more than happy to do that.

467

01:12:27.630 --> 01:12:29.940

Joshua Brockway: Right, so does it fall underneath the use of force.

468

01:12:30.360 --> 01:12:37.890

City Hall: Okay yeah so so depending on the situations we call it response to resistance there's a use of force and show a force and a.

469

01:12:38.310 --> 01:12:47.400

City Hall: vast majority are show forces, and so you just have to dig through the data so like I said, you know that was going to be a tutorial on how to do that, I can provide that later.

470

01:12:50.550 --> 01:12:51.150

Joe Hoereth: aubrey.

471

01:12:54.600 --> 01:13:00.630

Aubree Flickema: yeah I was just gonna say what you said, Joe that I would really love to see that data I don't think that.

472

01:13:01.920 --> 01:13:03.120

Aubree Flickema: it's necessary.

473

01:13:04.530 --> 01:13:11.550

Aubree Flickema: To take up task force time for it but i'm curious if maybe a good approach would be to to load that data and she lolly I respect.

474

01:13:11.940 --> 01:13:22.500

Aubree Flickema: What you are saying about being able to add context, and so I wonder if, maybe in our next task force meeting we provide some time to be able to access to provide the data and then asked questions about it, to save some time.

475

01:13:26.520 --> 01:13:28.320

Joe Hoereth: Thank you aubrey push.

476

01:13:34.500 --> 01:13:44.040

Tish Calhamer: Thank you, first of all, I just want to say to chief lally Thank you very much for all of the time and effort that you took to prepare for your presentation tonight.

477

01:13:45.900 --> 01:13:57.390

Tish Calhamer: Maybe what we need to do is, this is a response to I believe one task force members request for information if it's one or two Task Force members.

478

01:13:57.960 --> 01:14:07.470

Tish Calhamer: Maybe the information can just be written and deposited in the box, maybe we need to discuss in what format, we want the the information presented.

479

01:14:08.160 --> 01:14:24.840

Tish Calhamer: And if an overwhelming majority, say, this would be a great presentation, so what I would like to see and let's not waste anybody's time if it's just an email or if it's a presentation.

480

01:14:25.770 --> 01:14:35.760

Tish Calhamer: Chief lally mentioned a tutorial and what information is out there on the transparency site and how one would go about doing one's own research.

481

01:14:36.990 --> 01:14:53.280

Tish Calhamer: If a good number of us would like that i'm going to propose that we ask the chief to present what kind of what kind of information is out there to the average citizen.

482

01:14:54.150 --> 01:15:05.520

Tish Calhamer: Who wants to research police matters, what does the transparency website look like what kind of information, can you get if you walked into the police station.

483

01:15:07.260 --> 01:15:13.860

Tish Calhamer: what's valuable what's in the archives what's in the annual report, what can we actually get our hands on.

484

01:15:15.900 --> 01:15:19.500

Tish Calhamer: There could be some screen sharing um I think we just need.

485

01:15:20.850 --> 01:15:24.030

Tish Calhamer: The information basic one on one um.

486

01:15:26.250 --> 01:15:29.730

Tish Calhamer: When the request came up for canines statistics.

487

01:15:30.960 --> 01:15:36.300

Tish Calhamer: I think most of us just thought Oh well, I it probably has some bearing on.

488

01:15:37.470 --> 01:15:52.890

Tish Calhmer: future decisions or or planning, and I think we're still new at this and didn't know what we could question or elaborate upon it's all important information i'm a librarian, all in all, information is important.

489

01:15:54.090 --> 01:15:57.090

Tish Calhmer: it's just how it's packaged what format.

490

01:15:58.140 --> 01:16:16.290

Tish Calhmer: How much time we want to devote to task force meetings on something or again what could be dropped in the box, but if it's dropped in the box if it's not right before us, we have the responsibility we are tasked with looking at that information.

491

01:16:17.370 --> 01:16:30.900

Tish Calhmer: And again being notified that something is in the the box relating to somebody question you know, we owe it to the person who requested the information to look at that information take notes mullet over.

492

01:16:31.920 --> 01:16:36.240

Tish Calhmer: discuss it later questions and things whatever.

493

01:16:37.770 --> 01:16:51.120

Tish Calhmer: I feel really bad that we asked for chief lally to do this presentation and then we decided we didn't need it, I think we still need the information, maybe we aired in what kind of a format, we wanted to them.

494

01:16:52.860 --> 01:17:11.100

Tish Calhmer: But again, if you all agree, I would like to see something a presentation on what kinds of information are out there and what does the average civilian have access to what kinds of requests, can we make for whatever kinds of information, etc, etc.

495

01:17:13.350 --> 01:17:18.900

Tish Calhmer: um, can I ask for a quick vote or ask someone to ask for a quick vote.

496

01:17:20.850 --> 01:17:23.970

Joe Hoereth: I think that would be something we put to the.

497

01:17:25.980 --> 01:17:27.450

Joe Hoereth: put to the leadership team or.

498

01:17:27.750 --> 01:17:28.830

Tish Calhamer: tech Madam Chairwoman.

499

01:17:31.800 --> 01:17:32.160

LeJewel Kelly Crigler: well.

500

01:17:32.250 --> 01:17:43.680

LeJewel Kelly Crigler: first thing I do want to address I don't think in the information that was being X they weren't asking for a presentation, they were asking for the information.

501

01:17:44.850 --> 01:18:02.100

LeJewel Kelly Crigler: You know to be supplied what they're asking for, so the presentation was nowhere in there and I know we didn't have a vote in regards to the presentation so again, I thank her for coming out, but I know that's not what they were requesting.

502

01:18:03.240 --> 01:18:15.390

LeJewel Kelly Crigler: So she did state that she would be willing, you know, to take and submit that information to the facilitator, so they can put that in the dropbox for us.

503

01:18:15.840 --> 01:18:33.720

LeJewel Kelly Crigler: And then we would have access to you know any information that she would put in there, you know and and I do think it would be wise for us to go through that information and and read it for ourselves, you know, but just at this point in time.

504

01:18:34.740 --> 01:18:40.050

LeJewel Kelly Crigler: From what I got all of the Members were stating they didn't want the presentation at this time.

505

01:18:41.640 --> 01:18:43.470

LeJewel Kelly Crigler: Okay, that that's what I got.

506

01:18:45.450 --> 01:19:00.510

LeJewel Kelly Crigler: So, in reference to I don't think it necessarily has to be a vote because she stated that she would put it in and again like I said it's going to go through the facilitators so any information, you know that's not in there i'm sure.

507

01:19:01.710 --> 01:19:11.160

LeJewel Kelly Crigler: We can go back to you chief lally and ask you for any information that may be missing, you know that we may want more information on so.

508

01:19:13.380 --> 01:19:22.830

Tish Calhamer: Joel I was just asking if it would be a good idea to have a presentation by the chief on what kinds of information is available.

509

01:19:23.610 --> 01:19:31.890

LeJewel Kelly Crigler: Well, I think, after she submitted the information and we all have gotten the chance to kind of go through and look, then I think we would be.

510

01:19:32.550 --> 01:19:45.360

LeJewel Kelly Crigler: It would better serve her as well not to have her just come out and just talk, we would have definite things that we would be wanting her to talk about, and that would be something that you all can submit to us, so we can submit to her.

511

01:19:46.050 --> 01:19:48.930

LeJewel Kelly Crigler: So she can have that information to come back at a later date.

512

01:19:50.340 --> 01:19:51.480

Tish Calhamer: Okay, thank you okay.

513

01:19:51.600 --> 01:19:52.290

LeJewel Kelly Crigler: All right, thank you.

514

01:19:54.270 --> 01:19:55.410

Joe Hoereth: Thanks trish Marcus.

515

01:19:56.490 --> 01:20:06.840

Marcus"The People's Champ" Banner: yeah, so this is again like you see the the misinformation so test things that I asked for statistics on the K nine when that's not what I asked for.

516

01:20:09.990 --> 01:20:15.210

Marcus"The People's Champ" Banner: The work that that's been being done in the Community has been brought to my attention that citizens feel that.

517

01:20:15.780 --> 01:20:28.140

Marcus"The People's Champ" Banner: The law enforcement misuses the K nine unit to create false hits of some sort of drug or something so that they can share their car apart and they have done it on multiple occasions where.

518

01:20:29.100 --> 01:20:38.820

Marcus"The People's Champ" Banner: there's been these hits and then they find no drugs, so what I requested was that we'd be able to view the video from some specific incidents.

519

01:20:39.330 --> 01:20:48.240

Marcus"The People's Champ" Banner: Of and see whether what the citizens are saying, our toolbox and i've also spoken with one of the citizens and if we're going to bring that information, I had the chief.

520

01:20:48.810 --> 01:20:57.000

Marcus"The People's Champ" Banner: Give a narrative that we also allow that citizen, the company give his narrative and his version of what took place in that video on he definitely said he was willing.

521

01:20:57.660 --> 01:21:18.330

Marcus"The People's Champ" Banner: To do that, I also asked that we be able to see the footage of video on where the dog was actually sick on someone and allowed to bite a human being and then 2021 I don't think anybody should be bitten by a dog in any capacity.

522

01:21:20.160 --> 01:21:23.580

Marcus"The People's Champ" Banner: that's what I asked for specifically not a presentation.

523

01:21:28.650 --> 01:21:30.000

Joe Hoereth: We got it Marcus Thank you.

524

01:21:30.030 --> 01:21:31.200

Joe Hoereth: I think i'm.

525

01:21:32.100 --> 01:21:35.370

Joe Hoereth: Also chief highly requested.

526

01:21:37.980 --> 01:21:43.110

Joe Hoereth: Information about the specifics of those of those incidents to pull the video.

527

01:21:44.940 --> 01:21:45.570

Joe Hoereth: And so.

528

01:21:46.080 --> 01:21:47.220

Joe Hoereth: You know, hopefully, you can get that.

529

01:21:47.430 --> 01:21:48.150

City Hall: To us.

530

01:21:48.630 --> 01:21:52.890

Joe Hoereth: We can facilitate it to her as part of a task force information request.

531

01:21:53.910 --> 01:22:03.540

City Hall: and Joe real quick too so what's important to is that understanding why a dog because us or understand how a dog is trained or understanding.

532

01:22:03.930 --> 01:22:07.170

City Hall: You know how That to me is also part of the context.

533

01:22:07.800 --> 01:22:15.030

City Hall: Because and that's you know i'm I was prepared to deliver this in a in a obviously not verbal fashion, so now i'm going to have to.

534

01:22:15.360 --> 01:22:19.980

City Hall: find a way to deliver it to you guys where you'll still get the context because it's important that.

535

01:22:20.370 --> 01:22:31.170

City Hall: You know, you know our what you see our policies that you know you see how the dogs are trained you see what the uses you see what the case law so that's also the other stuff that I have to provide to you guys too.

536

01:22:31.680 --> 01:22:44.580

City Hall: And i'm more than happy to see the video and talk to to the gentleman and work through it absolutely no issues whatsoever with that, but it's also important that you guys get that background information and that that is something that I want to make sure that is said.

537

01:22:47.220 --> 01:22:51.870

Joe Hoereth: Thanks oh sure quickly, I know we have a couple more questions on this.

538

01:22:53.460 --> 01:23:01.950

Joe Hoereth: But after we have these questions, I think it would be a good time to post to the task force.

539

01:23:03.270 --> 01:23:08.370

Joe Hoereth: Either if you have an idea or if somebody has a suggestion on how to use our remaining time.

540

01:23:09.720 --> 01:23:19.560

Joe Hoereth: Since we're not having the presentation, but i'll i'll take these questions here and then suggest that we do that that's good what Mr.

541

01:23:24.540 --> 01:23:25.080

Joe Hoereth: Walter.

542

01:23:25.770 --> 01:23:32.190

Walter Blalark: i'm trying to get i'm trying to get on like a look like my computers somehow you got.

543

01:23:32.250 --> 01:23:34.740

Walter Blalark: hacked into my computer to call the FCC.

544

01:23:35.130 --> 01:23:40.560

Walter Blalark: and see what's going on with it with with this facilitators teaching teams tapping into my.

545

01:23:42.090 --> 01:23:47.460

Walter Blalark: Actually, the Chair, as she She answered and sort of market so i'm i'm out.

546

01:23:47.970 --> 01:23:48.330

Okay.

547

01:23:50.130 --> 01:23:51.150

Joe Hoereth: Next is Shimon.

548

01:23:52.050 --> 01:23:57.390

Shimon Blanchard: Good amy I this is me my personal opinion, I don't.

549

01:23:59.790 --> 01:24:09.720

Shimon Blanchard: I feel we'd be better served and looking at policies, unlike the presentation of the chief and prepared rather than going back and try and cases that i've already been trying.

550

01:24:10.350 --> 01:24:24.120

Shimon Blanchard: On I think the way to get to change is a look at what's in place now and see if it makes sense, you see if demographics i'm being certain demographics are being represented properly or if.

551

01:24:24.870 --> 01:24:32.370

Shimon Blanchard: We because we're talking about holding people accountable, but if we don't look at how to train if we all look at the policies where we hold them accountable to.

552

01:24:32.940 --> 01:24:37.350

Shimon Blanchard: there's there's nothing, and I mean we all have feelings we all have.

553

01:24:38.310 --> 01:24:45.990

Shimon Blanchard: emotion, how we how we viewed stuff I mean that's why we here everybody is here to do what's best for Elgin and that's why we're here so as, obviously.

554

01:24:46.260 --> 01:25:00.570

Shimon Blanchard: there's an issue obviously there's problems, but I just think going back and trying cases that are older, in the past doesn't serve us as a task force there are supposed to be looking at policies and looking at things and place to move forward.

555

01:25:04.710 --> 01:25:05.010

Thank.

556

01:25:08.220 --> 01:25:08.520

Joe Hoereth: Thank you.

557

01:25:10.200 --> 01:25:10.800

Joe Hoereth: for that comment.

558

01:25:13.350 --> 01:25:16.710

Joe Hoereth: Marcus is that is that a new hand Rosa from before.

559

01:25:18.300 --> 01:25:19.170

Marcus "The People's Champ" Banner: it's a new one.

560

01:25:19.290 --> 01:25:20.130

Joe Hoereth: Okay, go ahead.

561

01:25:20.580 --> 01:25:27.330

Marcus"The People's Champ" Banner: Well, the problem is not with what's on black and white what's the paper, the problem is what's being done in the streets that doesn't come to the light.

562

01:25:28.020 --> 01:25:41.520

Marcus"The People's Champ" Banner: that's what the problem is what you don't see again our police department, but I say 99% of the time one excellent excellent work that is that 1% that gets pushed under the rug and everybody ignores the whitewash it.

563

01:25:42.180 --> 01:25:50.490

Marcus"The People's Champ" Banner: And that's not going to be in policy that's not going to be in a presentation it's going to be in the streets with the people what the victim.

564

01:25:51.270 --> 01:25:53.310

Marcus"The People's Champ" Banner: Those voices are the ones that you'd never hear.

565

01:25:53.940 --> 01:26:03.870

Marcus"The People's Champ" Banner: Because what happens is nine times out of 10 if they turn around and they put so many bogus charges on somebody and make their head spin where they have to go into self preservation and focus on trying to beat.

566

01:26:04.170 --> 01:26:13.230

Marcus"The People's Champ" Banner: These charges in order to move on with their life that they don't get the opportunity to come forward and say something and then, if they do, they turn around and say well he's a criminal.

567

01:26:13.710 --> 01:26:27.000

Marcus"The People's Champ" Banner: he's been charged with this then another, and he resisted he did this, he did that but and and our society accepts that answer and disregards that a dog bit somebody.

568

01:26:28.140 --> 01:26:31.920

Marcus"The People's Champ" Banner: Would that's it that's somebody you said get them.

569

01:26:33.630 --> 01:26:44.310

Marcus "The People's Champ" Banner: that's a problem for me as a black man in 2020 that the police are still sick and dogs on us, you think that's okay come.

570

01:26:47.850 --> 01:27:06.030

Walter Blalark: In and I totally agree, I think that you know, I was, I was in a conference all day and we entry program for for for us, they don't call themselves ex offender but they call themselves citizens returning to society and in some of the stories that some of these.

571

01:27:07.410 --> 01:27:20.580

Walter Blalark: inmates or X inmate or citizen returns society i'm with Marcus you know the policies is is really a for those people have non color.

572

01:27:21.360 --> 01:27:31.560

Walter Blalark: So, but, but the policies for us to look different you know never been fair never been just and even the state's attorney said the day that you know she acknowledged that.

573

01:27:32.250 --> 01:27:45.030

Walter Blalark: That this criminal system is is Florida, and he says when it come to Brown and black people so and I know a lot of our people, who was on this on this task was an icon understand that.

574

01:27:45.570 --> 01:28:05.730

Walter Blalark: And so you know you look at the policies, most of us know the policy, one of the things I will agree with schmo with that many times, we do need to know the policies, so we can be able to correct them and also know what how we're being treated in in the in equitable way.

575

01:28:07.230 --> 01:28:14.910

Walter Blalark: But I do go with markers that sometime it's not going to get reported because Neil and thank God for the the chief she got to make sure.

576

01:28:15.240 --> 01:28:29.520

Walter Blalark: That and she should make sure how to properly five but she's not thought industries that you know you got that bunch out there do a lot of terrible thing, but specifically to Brown and black people and i'm sorry to say that that's what we have.

577

01:28:32.550 --> 01:28:37.710

Joe Hoereth: Thank you, Walter Shimon I see you leaning forward where you're going to come in again.

578

01:28:38.040 --> 01:28:39.690

Shimon Blanchard: Well, I don't want to get back.

579

01:28:39.900 --> 01:28:40.740

Joe Hoereth: Okay got it.

580

01:28:41.250 --> 01:28:42.120

But uh.

581

01:28:43.290 --> 01:28:49.980

Joe Hoereth: yeah I was just going to say that I think it's clear that you know we didn't, we agreed that we didn't need to hear.

582

01:28:49.980 --> 01:28:50.970

Joe Hoereth: The cheese presentation.

583

01:28:51.450 --> 01:28:58.710

Joe Hoereth: But I think what this discussion does tell us is that this is an issue that needs to be somewhere.

584

01:28:59.490 --> 01:29:02.220

Joe Hoereth: In the discussion of this task force.

585

01:29:02.700 --> 01:29:03.420

Joe Hoereth: And so.

586

01:29:04.560 --> 01:29:12.000

Joe Hoereth: You know whether it's identified in a subcommittee or something that is addressed in the hole.

587

01:29:13.140 --> 01:29:21.690

Joe Hoereth: In it, you know the group of a whole community of a whole or something like that that needs to be there needs to be a place where this gets.

588

01:29:22.710 --> 01:29:26.640

Joe Hoereth: discussed policies related to it get reviewed as well.

589

01:29:28.320 --> 01:29:29.310

Joe Hoereth: But also.

590

01:29:30.630 --> 01:29:32.850

Joe Hoereth: The human element, the human aspect of it.

591

01:29:33.960 --> 01:29:36.660

Joe Hoereth: can come out in that discussion as well, so.

592

01:29:38.670 --> 01:29:52.170

Joe Hoereth: I think, and I, I feel like with the broad range of subcommittee topics, there should be no problem for identifying the home within the topics that we have proposed for that issue, and I think we can do that.

593

01:29:53.310 --> 01:29:55.020

Joe Hoereth: So chair Craig where I want to.

594

01:29:56.400 --> 01:29:59.100

Joe Hoereth: just turn it over to you for a moment and just say.

595

01:30:00.660 --> 01:30:03.090

Joe Hoereth: You know, given that, at this point where we're at.

596

01:30:04.230 --> 01:30:08.160

Joe Hoereth: Did you did you want to use the remaining time in a particular way.

597

01:30:10.080 --> 01:30:12.360

Joe Hoereth: or anyone else on the.

598

01:30:14.370 --> 01:30:18.510

Joe Hoereth: On the Committee want to suggest something, but a chair cream, I wanted to start that conversation with you.

599

01:30:19.140 --> 01:30:20.220

LeJewel Kelly Crigler: Yes, um.

600

01:30:21.600 --> 01:30:26.850

LeJewel Kelly Crigler: I do think, at this point in time, I think we're needing to.

601

01:30:28.560 --> 01:30:40.230

LeJewel Kelly Crigler: I think we're really needing to talk a little bit more, because it seems like a lot of people really have some some thoughts and some ideas.

602

01:30:41.520 --> 01:30:50.820

LeJewel Kelly Crigler: in regards to why they really get on here, you know i'm i'm not really sure, because you know with my own thought in my own opinion here.

603

01:30:51.270 --> 01:31:05.790

LeJewel Kelly Crigler: um I thought that this particular venue was going to be a matter of addressing the citizens concerns and and you know, like we said the persons that are being affected.

604

01:31:06.570 --> 01:31:18.900

LeJewel Kelly Crigler: In major ways are the African American and Hispanic you know communities, though i'm willing to step out and say a large amount have been African American and I know.

605

01:31:19.920 --> 01:31:38.070

LeJewel Kelly Crigler: That persons have stated that you know we can't look in the past, well, I can tell you that the black population here has been decreased because of a lot of the actions that were going on for years, with the Elgin police department.

606

01:31:38.700 --> 01:31:50.220

LeJewel Kelly Crigler: um so I mean we can't just kind of said neck like this stuff has never happened, you know, and the majority of black males that do live here in Elgin.

607

01:31:51.060 --> 01:31:55.860

LeJewel Kelly Crigler: they've been affected, you know they really have or they know family members that have.

608

01:31:56.490 --> 01:32:08.250

LeJewel Kelly Crigler: um so I know this may be uncomfortable to some and new to some and then some may just want to like kind of get over it, and we keep we go pass it but.

609

01:32:08.790 --> 01:32:22.170

LeJewel Kelly Crigler: To my understanding that's not what we're here, for we are here to address something, it is a serious matter, so you know we really have to take it to task, and so you know I i've.

610

01:32:23.220 --> 01:32:32.370

LeJewel Kelly Crigler: Everything that everyone has suggested, I think we've got some some good things here to go forward on one of the things that I think that we.

611

01:32:32.370 --> 01:32:34.320

LeJewel Kelly Crigler: can really.

612

01:32:36.030 --> 01:32:49.080

LeJewel Kelly Crigler: start to look at here are looking at these subcommittees and trying to start to narrow them down what I would probably say is to X persons on individual level.

613

01:32:49.380 --> 01:32:57.630

LeJewel Kelly Crigler: Of what are they looking for maybe you know, two things of what is it that they're looking to do in regards to serving.

614

01:32:58.170 --> 01:33:13.230

LeJewel Kelly Crigler: On a subcommittee then that gives us a little bit more um you know ground to go on to know exactly where you know what some subcommittees are going to be important going forward for those first three.

615

01:33:14.430 --> 01:33:27.000

LeJewel Kelly Crigler: I think that's what we kind of need to do to have people take and make those choices right now have at least two things that are really major, important to you that you would like to try to bring some sort of.

616

01:33:28.500 --> 01:33:36.930

LeJewel Kelly Crigler: You know, some sort of answers to or research to and then that kind of gets us flowing you know that's my thought.

617

01:33:39.390 --> 01:33:42.720

LeJewel Kelly Crigler: So anyone can chime in on on their thoughts right now.

618

01:33:42.780 --> 01:33:44.040

LeJewel Kelly Crigler: Of what they're thinking.

619

01:33:45.000 --> 01:33:46.140

Joe Hoereth: that's what I was gonna ask you next.

620

01:33:47.550 --> 01:33:48.750

Joe Hoereth: throw that out there for people.

621

01:33:48.750 --> 01:33:50.340

Joe Hoereth: to comment on or reflect on.

622

01:33:50.460 --> 01:33:51.990

LeJewel Kelly Crigler: Yes, I do.

623

01:33:52.200 --> 01:33:52.530

Okay.

624

01:33:55.530 --> 01:33:55.740

Joe Hoereth: Oh.

625

01:33:56.880 --> 01:33:58.140

Joe Hoereth: Welcome, where you first.

626

01:33:58.680 --> 01:34:01.410

Walter Blalark: yeah yes, I want to say.

627

01:34:02.610 --> 01:34:11.010

Walter Blalark: I totally agree with the Chair can you hear me I look like i'm trying to come, like i'm trying to come live again and look like you know I don't know what's going on.

628

01:34:11.760 --> 01:34:21.300

Walter Blalark: With my it's not my computer is something going on with whoever's taking the technology as well that's okay um I will say this that.

629

01:34:22.320 --> 01:34:33.150

Walter Blalark: One of the things that we try to do in the subcommittee's is trying to get into the meat of what is going on and I totally agree with a.

630

01:34:35.310 --> 01:34:39.450

Walter Blalark: jewel when you look at the statistically speaking disproportion.

631

01:34:41.010 --> 01:34:51.900

Walter Blalark: African Americans are i've been in jail specifically African American males you even got some females in there as a disproportionately, not only in Elgin but in this county.

632

01:34:52.530 --> 01:35:09.180

Walter Blalark: We look at the numbers, we look at elder maybe how six 7% African Americans, but the jail population is much greater and for some of the same things that like I said non white does, and they have been prosecuted.

633

01:35:10.260 --> 01:35:21.420

Walter Blalark: Not knowing the law themselves and not know what's going on, I said yeah maybe we do need to understand policies, so we can get that out to people and so that people can understand some of the policies.

634

01:35:22.290 --> 01:35:27.390

Walter Blalark: And also, they need to understand when they are be arrested some of their rights.

635

01:35:28.200 --> 01:35:33.270

Walter Blalark: So it's a lot of things that we need to do, but I think we need to go on bill, with some of these subcommittees.

636

01:35:33.570 --> 01:35:43.290

Walter Blalark: And I hope I didn't get a chance here to subcommittee because i've been trying to get on ever since something to six, this guy on those so I really want to abstain, a lot of saying.

637

01:35:43.710 --> 01:35:53.910

Walter Blalark: I ever I think that a lot of people wanting to task force, you know really don't understand the magnitude I do I do like believe his name is.

638

01:35:54.810 --> 01:36:04.350

Walter Blalark: Brock with you know joshua is, I think that was you know that's his name, let me, let me look at you know I really appreciate him because you know, he said, and as a.

639

01:36:04.890 --> 01:36:10.680

Walter Blalark: As a as a non African American on that he he really wants to understand.

640

01:36:11.130 --> 01:36:16.680

Walter Blalark: The plight and the problem because I don't think a lot of people do understand the plight and problem you know joshua.

641

01:36:17.040 --> 01:36:26.100

Walter Blalark: You know, thank you joshua for that, and I remember he made that comment I don't think people do understand you know the problem you know i'm i'm hold on hold on, let me know.

642

01:36:26.460 --> 01:36:32.220

Walter Blalark: i'm here oh you got made me wait, so let me talk, you know 6070 you know i'm saying some years.

643

01:36:32.490 --> 01:36:41.250

Walter Blalark: Old in a city, and I have got stopped jet by driving being black you know right in my neighborhood you know and then that shouldn't be.

644

01:36:41.790 --> 01:36:50.250

Walter Blalark: And the guy said and I didn't stop behind the line stops that know only two years ago, or two years ago, respected, Minister.

645

01:36:51.210 --> 01:37:01.110

Walter Blalark: You know doctor's degree in divinity a outstanding citizen and I get you know i'm thinking stop this stuff pisses me off, so it needs to stop.

646

01:37:01.620 --> 01:37:10.350

Walter Blalark: The need to stop and like I say that some people, you know those police officers I didn't enroll police officer when it comes to somebody black male.

647

01:37:10.980 --> 01:37:17.190

Walter Blalark: And this stuff needs to stop you know i'm really up to here with it, maybe just listening at some of the things I heard today.

648

01:37:17.760 --> 01:37:25.890

Walter Blalark: You know, with the reentry program maybe that's really fired up you know, and maybe I just should be really quiet, but I don't care now because it's just need to stop.

649

01:37:26.430 --> 01:37:39.990

Walter Blalark: And so I hope that people in this Community that they understand that that no really an agenda we just want to be treated equal that's always saying you know not special but equal know because when you look at.

650

01:37:41.130 --> 01:37:50.250

Walter Blalark: You all need to look at it look at statistics look at the population of African Americans in this city and also in this column, but been arrested.

651

01:37:51.150 --> 01:37:59.880

Walter Blalark: Why, you know, we had bad, no, no, no, no, I don't think so some of the same things now look with the judge today.

652

01:38:00.510 --> 01:38:10.260

Walter Blalark: up there, and in some other set up some some other state dude rate five of SCI fi person, you know just because you have white male you know he get probation.

653

01:38:11.040 --> 01:38:19.980

Walter Blalark: To get eight years probation for raping 14 and 15 six year old girls this dude up in Wisconsin let me, let me carry assault rifle.

654

01:38:20.940 --> 01:38:38.550

Walter Blalark: You know, in the in the midst of a crowd out not black, but would have been shot come on you all wake up, nothing to stop you know if you ain't if you're not ain't review know we'll see what's going on, you didn't plan it and want to continue to be blinded, so I hope.

655

01:38:38.790 --> 01:38:40.050

Walter Blalark: that people have the right.

656

01:38:40.050 --> 01:38:47.820

Walter Blalark: attitude on this task force you all don't, then I need to get off of this i'll have time for this Thank you.

657

01:38:49.830 --> 01:38:52.470

Joe Hoereth: Thank you pastor blaylock I wanted to also point out that.

658

01:38:52.650 --> 01:39:00.660

Joe Hoereth: I don't know if you can see it, but sometimes people are putting up mo geez thumbs up hands clap parts to your comments so.

659

01:39:01.920 --> 01:39:12.540

Joe Hoereth: we're we're we're getting close to the end here so just wanted to point that out, and also invite people who haven't had a chance to opportunity to speak, because we are near the end.

660

01:39:13.620 --> 01:39:16.740

Joe Hoereth: To to raise their hand as well, so.

661

01:39:17.850 --> 01:39:18.750

Sara Omar: Has her hand up.

662

01:39:20.910 --> 01:39:25.200

Joe Hoereth: Oh, I see it, thanks, Sarah Marcus i'll come to you after Carol.

663

01:39:26.850 --> 01:39:28.200

Joe Hoereth: test version number Carol baby.

664

01:39:29.370 --> 01:39:35.310

Carroll Bailey: Oh yes, ah, I kind of try to keep my mouth shut because there's a lot of things I don't know.

665

01:39:35.970 --> 01:39:53.640

Carroll Bailey: here's What I do know until we have a culture change and accept what Mr blaylock and markers are saying we're spinning our wheels and wasting our time it hurts me it hurts me to my soul, when I look at the news is the horrible things that are happening to black men specifically.

666

01:39:55.590 --> 01:39:57.720

Carroll Bailey: And I just want to do what I can to help.

667

01:39:58.800 --> 01:40:12.000

Carroll Bailey: And I want to know what we're actually doing something with these meetings, because we don't have a whole lot of time left, and I appreciate, we need subcommittees but let's get this show on the road i'm done for the night, thank you, as far as my comments.

668

01:40:13.710 --> 01:40:15.300

Joe Hoereth: Thank you Carol appreciate those.

669

01:40:17.640 --> 01:40:18.270

Joe Hoereth: Marcus.

670

01:40:20.220 --> 01:40:26.040

Marcus"The People's Champ" Banner: So for those that don't understand the magnitude of this this is life or death for me.

671

01:40:27.360 --> 01:40:36.930

Marcus"The People's Champ" Banner: either directly or indirectly through friends family like this is life or death i've watched this one for generations, you know my first.

672

01:40:37.980 --> 01:40:51.180

Marcus"The People's Champ" Banner: memory of a police officer is a police officer sticking the gun and my father's mouth in the hallway deposit sand I blow your head off Nick that's my first as a three year old that's my first memory.

673

01:40:52.320 --> 01:41:00.510

Marcus"The People's Champ" Banner: And it has been a fight every sense right so it's life or death now, I believe we need to get to the work as well.

674

01:41:00.930 --> 01:41:08.190

Marcus"The People's Champ" Banner: And I would like to propose that we get to some in person meetings so that we can break up and subcommittees during the meeting.

675

01:41:08.580 --> 01:41:17.310

Marcus"The People's Champ" Banner: and be able to get the work done simultaneously and then come back and share in the last portion of the meeting, the things that took place within the.

676

01:41:17.850 --> 01:41:29.340

Marcus"The People's Champ" Banner: subcommittees that way we're not waiting 234 days a week before we can hear and see what's going on, and I think it'll move things a whole lot faster if we were live and in person.

677

01:41:30.720 --> 01:41:35.580

Marcus"The People's Champ" Banner: And I would like to ask the Chair if that's something that we could put to the table and.

678

01:41:37.800 --> 01:41:39.750

Marcus"The People's Champ" Banner: gets in person meetings, please.

679

01:41:43.650 --> 01:41:51.390

Joe Hoereth: Here i'd like to propose that we hear from aubrey and then answer that question because I, I also have a suggestion to.

680

01:41:51.660 --> 01:41:52.170

LeJewel Kelly Crigler: Related to.

681

01:41:53.100 --> 01:41:55.080

Joe Hoereth: Thank you Marcus copy.

682

01:41:56.820 --> 01:42:00.840

Aubree Flickema: yeah First, I agree with Marcus I think in person meetings.

683

01:42:03.930 --> 01:42:07.260

Aubree Flickema: The conversation will feel more natural and, and so I agree.

684

01:42:09.240 --> 01:42:16.980

Aubree Flickema: I wanted to propose that we start putting some action items in place as far as the subcommittee's go, so that we can move on.

685

01:42:18.180 --> 01:42:29.370

Aubree Flickema: and move to some tangible things that we can start getting done and so um, I think, maybe one way that we can do that is by.

686

01:42:29.880 --> 01:42:39.570

Aubree Flickema: Providing some kind of a forum for committee members to give input if they've not been able to give input, or if they feel the need to process a little bit what has been shared.

687

01:42:40.950 --> 01:42:52.500

Aubree Flickema: And then give the leadership team a chance to take all that input and then either reframe or rework or add some of the subcommittees and then perhaps at next meeting, we can start.

688

01:42:53.190 --> 01:43:08.700

Aubree Flickema: With some assignments, with people who are on what committees, we can talk about how many people should be on the committee's, but I think we need to figure out a way forward and how we can start getting some of that work done in those subcommittees that I think we all agree on.

689

01:43:09.960 --> 01:43:10.980

Aubree Flickema: We need to start working on.

690

01:43:13.110 --> 01:43:25.110

Joe Hoereth: Thank you aubrey I can suggest that in and Chair kriegler i'd like to just make some concluding remarks about that, including next steps and thinking about it.

691

01:43:26.190 --> 01:43:31.140

Joe Hoereth: um the the facilitation team can take on that task.

692

01:43:32.310 --> 01:43:40.380

Joe Hoereth: Specifically, what you just suggested aubrey of trying to figure out assignments, but to specific committee, so they can be.

693

01:43:41.520 --> 01:43:47.010

Joe Hoereth: committees can start working I guess not really talking about assignments people assigning themselves.

694

01:43:49.110 --> 01:43:49.680

Joe Hoereth: and

695

01:43:50.880 --> 01:44:04.080

Joe Hoereth: that's one thing I think also, though, we have to based off what we've heard today we've heard ideas I apologize there's a pizza delivery guy my door 14 year old boys not answering the door for me.

696

01:44:06.720 --> 01:44:16.020

Joe Hoereth: We have to, we have to compile the ideas that we've heard today taking good notes about those and either figure out how they fit into.

697

01:44:17.370 --> 01:44:28.920

Joe Hoereth: The suggested subcommittee structure, the proposal committee structure already, or is there an additional subcommittee to propose your one idea of that.

698

01:44:29.910 --> 01:44:48.780

Joe Hoereth: And I would, I would like to suggest that the leadership team we work with the leadership team in the time in between the next meeting on that issue and so that would be a step first and then a process for people to volunteer and to assign themselves to a committee or sign up.

699

01:44:50.250 --> 01:44:52.440

Joe Hoereth: would be something we would work with you all.

700

01:44:53.490 --> 01:44:57.420

Joe Hoereth: Leadership committee in the in the time in between this meeting in the next.

701

01:45:02.670 --> 01:45:10.770

LeJewel Kelly Crigler: Okay, so I guess the next thing that, basically, is on the table is what Marcus had proposed and that was the in person meetings.

702

01:45:11.040 --> 01:45:11.190

Oh.

703

01:45:13.590 --> 01:45:14.460

Joe Hoereth: I forgot to come on.

704

01:45:15.360 --> 01:45:16.680

LeJewel Kelly Crigler: that's fine yeah.

705

01:45:18.240 --> 01:45:20.970

Joe Hoereth: So I don't know if you wanted to speak to it first and then.

706

01:45:22.140 --> 01:45:39.000

LeJewel Kelly Crigler: Well, I at this point, I believe it's sounding like it's an overwhelming request by all, but we do have to take the vote on that as well um so those who are looking for the in person meeting.

707

01:45:40.110 --> 01:45:41.610

LeJewel Kelly Crigler: Yes, we'll have to put that to the vote.

708

01:45:47.970 --> 01:45:50.580

Walter Blalark: Personal meeting, yes, I agree with it.

709

01:45:53.400 --> 01:45:54.330

LeJewel Kelly Crigler: Okay.

710

01:45:55.980 --> 01:45:57.900

Carroll Bailey: elevator i'm not doing stairs.

711

01:46:02.190 --> 01:46:03.600

Marcus"The People's Champ" Banner: now carry you Carol.

712

01:46:05.850 --> 01:46:07.320

Carroll Bailey: Now, thank you sweetie.

713

01:46:08.010 --> 01:46:10.740

LeJewel Kelly Crigler: Okay, it looks like we have an overwhelming.

714

01:46:11.850 --> 01:46:18.240

LeJewel Kelly Crigler: majority that wants to meet so at this time, I would have to exit facilitators.

715

01:46:20.310 --> 01:46:24.660

LeJewel Kelly Crigler: Would it be City Hall, that we would be meeting at how are you all, would be doing this.

716

01:46:25.320 --> 01:46:44.220

Joe Hoereth: So I think we have to, we have to talk with with see city folks about that the location in the you know how to do it, I think we have a we have a bit of a logistical challenge ourselves as facilitators but two of us are here in the region, so we can get there.

717

01:46:45.510 --> 01:46:48.090

Joe Hoereth: But you know our other two facilitators.

718

01:46:49.140 --> 01:47:06.960

Joe Hoereth: Would would have to be virtual likely, certainly for the next meeting, given that that's a couple weeks away um what what I was going to propose is that sort of the first full scale first time that our of facilitation team can be in person.

719

01:47:09.090 --> 01:47:16.560

Joe Hoereth: All of us, including Sarah and Larry would be January six and we had been already trying to target that date.

720

01:47:17.700 --> 01:47:24.450

Joe Hoereth: As a commitment for an in person meeting, if you all want to meet sooner in person, we will look into how we can do that.

721

01:47:25.710 --> 01:47:28.950

Joe Hoereth: What the challenge for us, would be a.

722

01:47:30.480 --> 01:47:33.960

Joe Hoereth: split facilitation team and by location.

723

01:47:35.070 --> 01:47:46.290

Joe Hoereth: Where some of us could get there, and others will be virtual, however, if I would like to throw out there if somebody if anyone on the task force.

724

01:47:47.640 --> 01:48:06.000

Joe Hoereth: was still interested in participating virtually, then we might be talking about a hybrid meeting, where we had some people in person, and some people online gets a little tricky to manage that um but you do see it happening and so.

725

01:48:07.050 --> 01:48:22.830

Joe Hoereth: I would like to just ask folks to be open, still to the possibility of a hybrid even if we're meeting in person, especially if somebody because I do think that not everybody voted for having the next meeting in person, but.

726

01:48:24.360 --> 01:48:26.640

Joe Hoereth: If someone is uncomfortable.

727

01:48:27.660 --> 01:48:30.270

Joe Hoereth: Or, due to their own health situation.

728

01:48:31.290 --> 01:48:36.480

Joe Hoereth: not able to come to an in person meeting that they still have another way to participate.

729

01:48:39.750 --> 01:48:48.120

LeJewel Kelly Crigler: Okay yeah I believe that's fair enough on the reference to the hybrid meeting would you all want to meet before that January six date.

730

01:48:50.790 --> 01:48:56.370

Joe Hoereth: in person, there are meetings between now and January six I wasn't suggesting that was our next meeting.

731

01:48:57.120 --> 01:48:57.690

Right.

732

01:48:59.400 --> 01:49:00.390

Joe Hoereth: Is that what you're asking.

733

01:49:00.510 --> 01:49:03.270

LeJewel Kelly Crigler: I believe that, because they're wanting to get to work now.

734

01:49:03.750 --> 01:49:17.700

Joe Hoereth: And that that's what i'm saying i'm we're going to look into the possibility of of how to make an in person meeting happen Okay, he is, we can make your next meeting, the next meeting um.

735

01:49:17.790 --> 01:49:31.560

LeJewel Kelly Crigler: So how soon can we get that information out to us so everyone can prepare you know for the next meeting, whether they're going to do it in the hybrid fashion fashion online still or meeting in person.

736

01:49:33.540 --> 01:49:36.300

LeJewel Kelly Crigler: because everyone like I said we're all wanting to do that I.

737

01:49:36.300 --> 01:49:39.870

Joe Hoereth: Know yeah and i'm also worried about the fact that next week is a holiday.

738

01:49:39.900 --> 01:49:50.310

Joe Hoereth: week so we're going to try to turn around our communication to the city as quickly as possible, we do meet as the facilitation team meets tomorrow tomorrow's Friday.

739

01:49:51.930 --> 01:50:01.890

Joe Hoereth: to reflect on the past meeting, and also to get gather ourselves to do the things we need to do in between, and this is one of those so.

740

01:50:04.860 --> 01:50:11.130

Joe Hoereth: Tomorrow I i'm not sure how quickly we could get what we need from from City Hall, to do that, but.

741

01:50:12.780 --> 01:50:21.570

Joe Hoereth: You know we'll try we'll get we'll get our questions asked, and whatever we know will communicate back to the to the task force.

742

01:50:22.860 --> 01:50:25.560

Joe Hoereth: You know, we can send a communication tomorrow if we know that.

743

01:50:27.090 --> 01:50:27.690

Joe Hoereth: At that point.

744

01:50:28.080 --> 01:50:28.470

Okay.

745

01:50:29.790 --> 01:50:30.120

Okay.

746

01:50:31.170 --> 01:50:35.370

Joe Hoereth: Unless is there anyone else from the facilitation team was comment on it.

747

01:50:37.530 --> 01:50:50.160

Sara Omar: I think the message is we'll do it as soon as possible, and then, when we hear from the city, we will turn around that information to the remainder of the task force, we do meet with the city on Monday, so if we can't.

748

01:50:51.330 --> 01:50:53.850

Sara Omar: meet with them tomorrow we'll definitely have.

749

01:50:54.930 --> 01:50:56.070

Sara Omar: An answer by Monday.

750

01:50:57.450 --> 01:50:57.900

LeJewel Kelly Crigler: OK.

751

01:51:01.470 --> 01:51:02.040

LeJewel Kelly Crigler: OK okay.

752

01:51:03.240 --> 01:51:03.390

Joe Hoereth: Your.

753

01:51:04.200 --> 01:51:04.950

Joe Hoereth: turn over to you.

754

01:51:07.080 --> 01:51:07.980

Joe Hoereth: If you'd like to.

755

01:51:08.640 --> 01:51:09.420

LeJewel Kelly Crigler: eight or nine.

756

01:51:11.940 --> 01:51:21.210

Walter Blalark: A chair or did we appoint subcommittees or how we doing that I did we i'm sorry I was not able to get on the weak point church.

757

01:51:22.140 --> 01:51:34.170

Walter Blalark: committee members, or if people volunteer to be on subcommittees or what what we're doing with that I, you know I won't take up people time or, if you want to call me, you can to.

758

01:51:35.460 --> 01:51:37.290

Walter Blalark: You know, to to tell it.

759

01:51:37.350 --> 01:51:39.780

LeJewel Kelly Crigler: As I say, yeah Walter, I will i'll call you.

760

01:51:39.870 --> 01:51:40.350

Walter Blalark: i'll call you.

761

01:51:40.410 --> 01:51:45.360

LeJewel Kelly Crigler: Because we didn't do anything at this point, you know the size take more proposals in.

762

01:51:46.380 --> 01:51:50.580

LeJewel Kelly Crigler: So where they're still having to add some more to those.

763

01:51:50.910 --> 01:51:52.290

LeJewel Kelly Crigler: Okay okay.

764

01:51:52.350 --> 01:51:53.820

LeJewel Kelly Crigler: So yeah okay.

765

01:51:55.350 --> 01:51:59.820

LeJewel Kelly Crigler: So Kevin did you have your hand i'm sorry Denise.

766

01:52:00.360 --> 01:52:01.980

LeJewel Kelly Crigler: Denise Denise.

767

01:52:02.070 --> 01:52:02.670

Joe Hoereth: i'm sorry.

768

01:52:04.200 --> 01:52:05.130

Danise Habun: Thank you um.

769

01:52:05.220 --> 01:52:05.730

Danise Habun: I just.

770

01:52:05.820 --> 01:52:25.740

Danise Habun: I just have to say how extremely frustrated, I feel, right now, because we've been asking to meet him at least I have been asking to meet in person, since our first meeting and I truly don't understand why it's taken us so long.

771

01:52:26.940 --> 01:52:27.930

Danise Habun: And we still haven't.

772

01:52:29.070 --> 01:52:41.280

Danise Habun: gotten to a point when we can commit to having an in person meeting so for the sake of transparency and just to get it off my chest, I have to say that i'm very frustrated.

773

01:52:42.360 --> 01:52:48.600

Danise Habun: About this, to have repeated requests that haven't been acknowledged.

774

01:52:50.850 --> 01:52:57.210

Danise Habun: So do what you need to do, but let us meet together and i'll be quiet now, thank you.

775

01:52:57.600 --> 01:52:58.710

LeJewel Kelly Crigler: Thank you Denise.

776

01:53:00.000 --> 01:53:01.290

LeJewel Kelly Crigler: Okay, there you go Joe.

777

01:53:03.120 --> 01:53:03.600

Joe Hoereth: and clear.

778

01:53:03.990 --> 01:53:07.230

LeJewel Kelly Crigler: Okay, and Kevin please.

779

01:53:09.090 --> 01:53:26.670

Kevin Joshua: Thank you, the jewel, I just wanted to pick up from that conversation that someone mentioned earlier that I think we should definitely at least maybe vote on the city utility board as a subcommittee and then maybe see if who are interested today working on that.

780

01:53:27.900 --> 01:53:29.820

Kevin Joshua: Maybe that could start floating around now.

781

01:53:31.140 --> 01:53:32.850

Kevin Joshua: And then, I just wanted to announce that.

782

01:53:34.020 --> 01:53:45.240

Kevin Joshua: i'm going to send the information that i've collected over the summer to the task force to Joe first that way he can disperse it to everybody to look at, I know I reached out to a couple people at this point.

783

01:53:46.320 --> 01:53:49.410

Kevin Joshua: Everyone check your Facebook I reached out to you there to communicate.

784

01:53:50.610 --> 01:53:56.160

Kevin Joshua: And then just want to let people know keep an eye on that, but it's back to you, thank you.

785

01:53:56.760 --> 01:53:57.390

Okay.

786

01:53:58.530 --> 01:53:59.580

LeJewel Kelly Crigler: So at this point.

787

01:54:00.810 --> 01:54:03.360

LeJewel Kelly Crigler: Is there anything else anyone would like to put on the table.

788

01:54:04.050 --> 01:54:06.420

Sara Omar: Nothing with you all, I think all three customer has.

789

01:54:06.810 --> 01:54:07.710

Aubree Flickema: aubrey and.

790

01:54:08.130 --> 01:54:19.590

Aubree Flickema: Thank you right now Okay, I just want to make sure that it's said that if we are going to go to a hybrid model that we make sure that the facilitation team at my request, if you would just be to explore ways to make sure that.

791

01:54:19.860 --> 01:54:32.340

Aubree Flickema: People who are engaging online that there's an equitable opportunity for them to be able to participate in the meetings, because I, I know that can get really hairy when you're trying to Google so just making sure that said.

792

01:54:33.180 --> 01:54:35.670

Joe Hoereth: Okay, slavery is a challenge.

793

01:54:36.570 --> 01:54:37.170

tish.

794

01:54:38.940 --> 01:54:40.980

Tish's iPhone: Yes, just real quickly a couple.

795

01:54:41.190 --> 01:54:41.610

LeJewel Kelly Crigler: of things.

796

01:54:43.200 --> 01:54:43.830

i'm sorry.

797

01:54:48.030 --> 01:54:48.780

Tish Calhamer: Go ahead.

798

01:54:50.520 --> 01:54:55.080

Tish's iPhone: No, I just wanted to address a couple of the issues that were brought up really quickly.

799

01:54:56.040 --> 01:55:06.030

Tish's iPhone: And, and I thought we may have covered this at the last meeting, but my apologies if it wasn't covered when Curtin was initially provided their.

800

01:55:06.600 --> 01:55:16.380

Tish's iPhone: proposal to the city, because we were in the middle of Kobe it was you know Dean, that a lot of this stuff would move forward obviously online.

801

01:55:16.710 --> 01:55:27.240

Tish's iPhone: Now that things are starting to open up and obviously well part of what was being proposed, when we do the Community meetings, obviously, that was going to be in person.

802

01:55:28.080 --> 01:55:39.060

Tish's iPhone: Since there has been some changes and, yes, I agree, we should start you know, trying to move towards being in person for those who are able to be in person.

803

01:55:40.050 --> 01:55:49.860

Tish's iPhone: There we're currently working with kearns and west to make that happen sooner rather than later, just in recognition of you know, we are approaching the holidays.

804

01:55:50.400 --> 01:55:57.510

Tish's iPhone: it's probably not going to happen until probably closer to the beginning of the year, that is the goal at least that's what.

805

01:55:58.110 --> 01:56:10.290

Tish's iPhone: i'm being told right now that we're aiming for, so we have heard the concerns and we are working to make that happen recognizing that you know, half of the current and rest team.

806

01:56:10.860 --> 01:56:16.500

Tish's iPhone: is right over in the Chicago area, so, even if the whole team can't come in person.

807

01:56:17.280 --> 01:56:28.950

Tish's iPhone: Some of the team can come in person and, obviously, the task force can meet with those members of the facilitation team in person, because I think it will make a difference to have us in person, the second thing.

808

01:56:30.030 --> 01:56:34.380

Tish's iPhone: I really think two things, hopefully can come out of this meeting, yet tonight.

809

01:56:36.360 --> 01:56:45.630

Tish's iPhone: We you know folks are are voicing concerns about wanting to move forward wanting to start working on some things really need to nail down.

810

01:56:46.680 --> 01:57:00.000

Tish's iPhone: The subcommittee's get consensus on subcommittees and and and be able to move forward with those um maybe something that can happen offline is people can start to send.

811

01:57:00.660 --> 01:57:10.710

Tish's iPhone: The facilitation and leadership team what top two subcommittees they would like to work on once those are clear, you know once those are.

812

01:57:11.820 --> 01:57:14.820

Tish's iPhone: we've gotten consensus from the the task force.

813

01:57:16.260 --> 01:57:31.560

Tish's iPhone: And then also if again offline in between now and the next meeting, if the task force likes the idea of breaking the subcommittee's in half and working on three now and three later.

814

01:57:32.100 --> 01:57:43.260

Tish's iPhone: If you have some insight on what three you want to work on now, I think that is something also that we should ask the task force members to provide insight on.

815

01:57:44.370 --> 01:57:45.630

Tish's iPhone: lap lastly.

816

01:57:47.610 --> 01:57:53.340

Tish's iPhone: I think there needs to be some type of clarification or process for.

817

01:57:54.390 --> 01:57:59.490

Tish's iPhone: How do Task Force Members get items on the agenda, I think that.

818

01:58:00.810 --> 01:58:08.730

Tish's iPhone: That is something that needs to be addressed that's something i've kind of heard during the course of the meeting during the course of some of our other meetings.

819

01:58:09.630 --> 01:58:22.290

Tish's iPhone: You know, should people be sending that to the facilitation and leadership team, you know I think there's there needs to be some clarification around that so that's all I have to say and I cuz I know it's late, thank you.

820

01:58:23.700 --> 01:58:24.030

Joe Hoereth: fish.

821

01:58:25.110 --> 01:58:29.580

Joe Hoereth: In response to that what i'd like just want to say real quick we.

822

01:58:29.610 --> 01:58:30.330

Joe Hoereth: I think we would.

823

01:58:30.360 --> 01:58:37.260

Joe Hoereth: prefer that we generate a list for people to respond to so everybody has the same.

824

01:58:38.430 --> 01:58:40.710

Joe Hoereth: You know list from which they're setting.

825

01:58:42.480 --> 01:58:45.450

Joe Hoereth: expressing their preferences for Sarah, would you agree with that.

826

01:58:46.680 --> 01:59:02.490

Joe Hoereth: yeah so I I think Oh, I appreciate like wanting to move quickly you know and people just sending us their preferences and that could work, but I think if people are not clear could get a little complicated.

827

01:59:03.120 --> 01:59:06.000

Tish's iPhone: All right, are you referring to the subcommittee's yes.

828

01:59:06.060 --> 01:59:07.020

Joe Hoereth: The subcommittee's.

829

01:59:07.410 --> 01:59:24.810

Tish's iPhone: Right and I understand that I'm not suggesting that people just randomly start sending recommendations I'm saying I'm not sure did we hear do we get consensus from everyone on what those what the subcommittee's actually are, did we get consensus from people.

830

01:59:25.110 --> 01:59:29.640

Sara Omar: We have not done what Joe is going to talk about as next steps on what.

831

01:59:29.640 --> 01:59:30.390

Sara Omar: we'll go.

832

01:59:30.630 --> 01:59:34.950

Sara Omar: From after this call, and between now and then our next task force.

833

01:59:35.700 --> 01:59:36.450

Joe Hoereth: that's yeah.

834

01:59:37.890 --> 01:59:45.630

Joe Hoereth: that's what I was trying to get we, we need to identify a way to do that in between now and the next meeting.

835

01:59:46.680 --> 02:00:00.120

Joe Hoereth: and part of that is just confirming exactly what that list is with the leadership committee and then identifying how we're going to you know whether it's sending it out by email which that's probably what's going to have to be.

836

02:00:01.320 --> 02:00:02.820

Joe Hoereth: asking people to respond.

837

02:00:03.870 --> 02:00:05.160

Joe Hoereth: indicating their preferences.

838

02:00:06.480 --> 02:00:09.720

Joe Hoereth: But want to confirm that list for sure first.

839

02:00:12.420 --> 02:00:13.410

Tish's iPhone: yeah I guess it.

840

02:00:13.890 --> 02:00:21.450

Tish's iPhone: would have been it would have been good, it would have been great had folks you know kind of seen it or.

841

02:00:23.520 --> 02:00:28.470

Tish's iPhone: had some of this information before the meeting but that's neither here nor there I just think that.

842

02:00:29.940 --> 02:00:39.630

Tish's iPhone: We really should have had more time during the meeting for the task force to really come to consensus tonight because here yet again.

843

02:00:40.290 --> 02:00:56.310

Tish's iPhone: we're we're we're losing time and you know we still haven't nailed down the the subcommittees and now we're waiting for that and then we're going to have to wait again for people to determine what subcommittees they want to sit on.

844

02:00:57.750 --> 02:00:58.290

Tish's iPhone: I mean.

845

02:00:59.730 --> 02:01:06.450

Tish's iPhone: It just seems it's it's it's taking much longer than I that I really think that it needs to.

846

02:01:07.740 --> 02:01:09.600

Tish's iPhone: But again it's up to the committee.

847

02:01:11.220 --> 02:01:18.150

Tish's iPhone: If people are fine with waiting and and getting that list later, but.

848

02:01:18.870 --> 02:01:28.230

Tish's iPhone: I have a feeling that some of you are are ready to move forward, based on some of the things that you've you know, based on the subcommittees that are there.

849

02:01:28.980 --> 02:01:40.320

Tish's iPhone: Maybe something needs to be tweaked here they're making sure that things are added, but I don't see a reason to wait to send something back out to folks.

850

02:01:41.280 --> 02:01:50.580

LeJewel Kelly Crigler: Well, I had proposed, as you say that to have people take in give you know their top two and we should be able to you know.

851

02:01:51.570 --> 02:02:04.110

LeJewel Kelly Crigler: insert those and you know the the committee's subcommittees that we have here and then send them out, and I mean either, then they you know, are going to agree yeah this is, you know what I want to do.

852

02:02:04.470 --> 02:02:21.750

LeJewel Kelly Crigler: And you know that'll be the group that you'll be in you know I that that's my thought um you know but everybody would need to send that out to us i'd say within the next couple of days so, then you know that gives us some time and in regards to our next meeting.

853

02:02:23.010 --> 02:02:25.110

LeJewel Kelly Crigler: That we would be able to then do that.

854

02:02:26.280 --> 02:02:30.480

Tish's iPhone: right but, but even before then and I completely agree with you Kelly.

855

02:02:30.870 --> 02:02:35.940

Tish's iPhone: Is there is there consensus on the subcommittee's that's.

856

02:02:36.030 --> 02:02:37.230

Tish's iPhone: First and foremost yeah.

857

02:02:37.320 --> 02:02:47.610

Tish's iPhone: I mean, because I I, I have a feeling that what the facilitation team is this feeling like that there may not be consensus on the Committee on the subcommittee's.

858

02:02:48.090 --> 02:03:03.210

LeJewel Kelly Crigler: Right, what can the facilitation of the facilitators are you able to get something out within the next 2448 hours that you know the whole team would be able to our whole group would be able to.

859

02:03:04.680 --> 02:03:14.310

LeJewel Kelly Crigler: actually see what they are, and then I guess we'd have to go through that you know once they got the information back to us of what they agree with.

860

02:03:15.330 --> 02:03:21.030

LeJewel Kelly Crigler: And then, when I guess We just have to go with the first the first three that has the most votes.

861

02:03:22.230 --> 02:03:26.700

LeJewel Kelly Crigler: You know, to start with, and then that at least gives us something to work on.

862

02:03:27.930 --> 02:03:35.010

Sara Omar: Should we, maybe transition to next steps, and we can kind of, so I think that is like a one thing we can do.

863

02:03:35.340 --> 02:03:43.710

Sara Omar: Is share your meeting tomorrow morning to review our notes and just make sure that we are capturing everything that was said today.

864

02:03:44.130 --> 02:03:56.700

Sara Omar: And then, our goal is to send that to the team, the whole task force a consolidated list of all that was suggested, and we did here that we want look time to provide additional.

865

02:03:57.660 --> 02:04:07.050

Sara Omar: Like feedback or edits so what were the process will be when we send out list if you have any additional comments or edits or concerns please send that to us.

866

02:04:07.350 --> 02:04:15.660

Sara Omar: And then hopefully by the time on Tuesday we meet as a leadership team, we would have everyone's comments and edits and then we can kind of review that as a whole list.

867

02:04:18.270 --> 02:04:22.080

Sara Omar: and Joe is there anything else you wanted to mention as next steps or action items.

868

02:04:23.070 --> 02:04:24.390

Joe Hoereth: Oh, I don't have anything else.

869

02:04:24.690 --> 02:04:26.880

Sara Omar: Okay, then back to you a jewel to oh.

870

02:04:28.050 --> 02:04:33.030

LeJewel Kelly Crigler: Okay i'm trying to close i'm tish I know you had your hand up.

871

02:04:35.220 --> 02:04:35.970

LeJewel Kelly Crigler: Please callahan.

872

02:04:36.000 --> 02:04:49.410

Tish Calhamer: Thank you councilman tish Pal and I refer to each other as the other fabulous tissue, so I think the other fabulous tish for her comments in getting us hopefully on the straight and narrow here.

873

02:04:51.300 --> 02:04:51.870

Tish Calhamer: I just.

874

02:04:52.890 --> 02:05:03.810

Tish Calhamer: wanted to say that we will probably meet what the the second the 16th and the 30th of December those will be our our next dates with maybe the 30th being.

875

02:05:04.230 --> 02:05:19.200

Tish Calhamer: problematic of people are away for the holidays, I hope that somebody puts together a schedule of some sort to take in consideration to take into consideration everybody's holiday plans i'm.

876

02:05:19.860 --> 02:05:23.910

Sara Omar: Sorry tish we aren't we're not meeting on the 30th.

877

02:05:24.210 --> 02:05:27.510

Sara Omar: we're okay you like that it's going to be the sixth after that.

878

02:05:27.810 --> 02:05:38.490

Tish Calhamer: Okay, great okay um that's that's great um The other thing that I wanted to bring up is I concur with a jewel that we should just.

879

02:05:39.780 --> 02:05:51.090

Tish Calhamer: put up the list of the subcommittee's such as they are, when we choose our two or three I think there will be some clear winners and we go with those.

880

02:05:51.720 --> 02:05:57.540

Tish Calhamer: And it might not be perfect, it might be a little messy some of the sub points we can hash out later.

881

02:05:58.200 --> 02:06:17.070

Tish Calhamer: But let's just pick the big categories of subcommittees and you know get on with it, and if we overlap, a little bit that's okay again, you know multiple perspectives towards a certain goal, I think, will will benefit us okay.

882

02:06:18.330 --> 02:06:19.950

LeJewel Kelly Crigler: Thank you Kevin.

883

02:06:25.170 --> 02:06:25.770

Kevin Joshua: All right, thank you.

884

02:06:26.130 --> 02:06:29.010

LeJewel Kelly Crigler: Welcome, do you have any other comments.

885

02:06:29.580 --> 02:06:39.900

Walter Blalark: uh yes, I just hope that maybe I need to talk to chief about this because I don't know if you know Ishmael and the group we talked to the facilitator talked about this on.

886

02:06:40.380 --> 02:06:59.490

Walter Blalark: On last night about the schools and the police in the school and maybe I need to talk to chief chief learning about this get some statistics about how many of those kids are arrested because i'm hearing today that many of our kids are tracked and are in jail, because.

887

02:07:00.960 --> 02:07:11.400

Walter Blalark: of some things that happened in school and that's a large number, you know I got get from the African American man and unity gave me a lot of statistics today.

888

02:07:11.880 --> 02:07:19.680

Walter Blalark: it's really alarming so maybe I need to be and I don't know, we had a subcommittee up that and I don't know if you all seen that but.

889

02:07:20.370 --> 02:07:33.390

Walter Blalark: Maybe if you guys have not, you know, maybe make that a priority, I would have to because it's a lot of things going on with that throughout this country have kids are brown black color be.

890

02:07:34.890 --> 02:07:45.330

Walter Blalark: being detained and being put in jail for something that they did at school, and so we need to look at that if you guys can't i'm sure we'll be.

891

02:07:45.720 --> 02:07:57.360

Walter Blalark: talking to the chief about it, if you guys don't mind because it's something that's dear to me because, if a kid is is seeing police at that age Marcus talked about his father.

892

02:07:58.380 --> 02:08:09.600

Walter Blalark: that's that's as damaging so when all that something I need to know, maybe chief, and I can sit on top, and she can give me those statistics okay all right.

893

02:08:09.660 --> 02:08:19.410

LeJewel Kelly Crigler: Thank you all, so we also would like to see that information to i'm sure some of us would would love to have that information so with That being said, we are past time.

894

02:08:19.800 --> 02:08:20.430

Walter Blalark: and

895

02:08:21.030 --> 02:08:27.090

LeJewel Kelly Crigler: It is time to close the meeting so i'm asking for emotion.

896

02:08:28.200 --> 02:08:30.600

LeJewel Kelly Crigler: To move forward in closing.

897

02:08:32.100 --> 02:08:32.640

Walter Blalark: So boo.

898

02:08:35.040 --> 02:08:45.660

LeJewel Kelly Crigler: alrighty so with That being said, thank you all for coming out again and participating, we appreciate it, and we will see you, the next time, thank you.

899

02:08:57.420 --> 02:09:03.180

Walter Blalark: I totally agree with chase it's time for us to get this thing moving, so you know the other great tip.
